

# Yeoval Central School School Behaviour Support and Management Plan 2025

## PLAN OVERVIEW

Yeoval Central School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged in their learning.

Our goal is to inspire every child to participate positively in society. We focus on promoting excellence, opportunity and success for every student, every day. We value and strive to develop safe, respectful learners in a caring learning community.

The principles of positive behaviour support, trauma-informed practice, inclusive practice, and social emotional learning underpin our daily practice. High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching, and planned responses.

Our processes are founded on the idea that students must learn to take responsibility for their own actions and to ensure all staff respond to these challenges consistently to support students to acknowledge harm and learn from their behaviour.

To achieve our mission, key approaches and programs prioritised and valued by the school community are:

At Yeoval Central School, every student and staff member has the right and responsibility to learn and work in an environment that is:

- Inclusive
- Safe and secure
- Free from bullying, harassment, intimidation and victimisation

This School *Behaviour Support and Management Plan* clearly outlines the consequences for unacceptable behaviour so that all students, parents and staff are aware of the high expectations held by Yeoval Central School.

Expected behaviour includes, and is not limited to classes, playground, excursions, sports, scripture, online lessons and in the community.

The key principles embedded in our procedure include:

- Positive relationships are the foundation of any classroom-based approach to positive behaviour supports. They are the key to a safe and caring classroom climate that invites and supports positive behaviour and skilled problem solving
- The key to any behaviour management system is a focus on preventing the development of new cases of problem behaviours
- Prevention occurs with the creation of a positive classroom environment that
  - Meets the learning needs of all students
  - Develops a sense of community
  - Establishes and maintains positive relationships
  - Values all students
- The best behaviour intervention occurs when the problem behaviour is not happening
- Incorporating the principles of procedural fairness.

Our PBL Focus Areas/School Values:

1. Respect
2. Responsibility
3. Cooperation

## PARTNERSHIP WITH PARENTS AND CARERS

Yeoval Central School will partner with families in establishing expectations for parent engagement in developing and implementing student behaviour management strategies, including for bullying behaviour by:

- using concerns raised through complaints procedures to review school systems, data and practices.

Yeoval Central School will communicate these expectations to parents/carers through the school newsletter, website and provide links to information and resources in the [Behaviour support toolkit](#).

## PROMOTING AND REINFORCING POSITIVE STUDENT BEHAVIOUR AND SCHOOL-WIDE EXPECTATIONS

At Yeoval Central School we believe that all students have the right to be known, valued and cared for. They should feel safe, secure and happy in the school environment, and achieve their personal best in academic, sporting and cultural activities. Our PBL values and matrix provide the cornerstone for promoting and reinforcing positive student behaviours whilst our commendation system reinforces and recognises student achievement in the following areas: Academic, Sporting, School and Community Service, Extra Curricular and Citizenship.

Area of Recognition	Examples
Academic	Consistent effort Improvement Outstanding work/results Participation in external competitions
Sporting	Representation in team/individual sports, Excellent participation Sportsmanship, teamwork, improvement.
School & Community Service	Participating in community events – e.g. ANZAC Day, Red Cross, helping at school, peer support, SRC projects, fundraising, organising events, leadership.
Extra- Curricular	Non-sporting competitions, e.g. debating, chess, public speaking, environmental activities, school grounds, agriculture plot.
Citizenship Award	Students, staff or community members nominate another student or staff member for being a caring responsible citizen, e.g. kindness to others, generosity, thoughtfulness, helping others Presented by a student on assembly. All members of the community can nominate for this award through the office.

Students work progressively through five levels of awards - Bronze, Silver, Gold, Platinum and Commendation. The number of merits for each level is a cumulative total, building on the merits gained in the previous level. A record of student progress is maintained at the school office, with certificates issued at our weekly assemblies. Students are able to check their progress at any time.

**Student leadership** and student voice at Yeoval Central School is in the form of an active student representative council (SRC) led by our primary and secondary school captains. The student body elects two primary representatives from Years 3 – 6 and 4 secondary representatives nominated from Years 7 – 12. Student representatives provide a student voice in school decision making, organise fundraising events and host annual support days such as 'Bullying - No Way National Day of Action' and 'Safer Internet Day'.

## WHOLE SCHOOL APPROACH TO PREVENT AND RESPOND TO STUDENT BEHAVIOUR

Our school embeds student wellbeing and positive behaviour approaches and strategies in practices across the care continuum to promote positive behaviour and respond to behaviours of concern, including bullying and cyberbullying behaviour.

These approaches and strategies are built on a foundation of evidence-based effective classroom practices that set the tone for engagement with learning and respectful relationships. These practices include:

- stating and explicitly teaching classroom expectations
- establishing predictable routines and procedures that are communicated clearly to students
- encouraging expected behaviour with positive feedback and reinforcement
- discouraging inappropriate behaviour
- providing active supervision of students
- maximising opportunities for active engagement with learning
- providing carefully sequenced engaging lessons that provide options for student choice
- differentiating learning content and tasks to meet the needs of all students.

## TIER II – EARLY OR TARGETED INTERVENTIONS FOR SOME STUDENTS

Care Continuum	Intervention	Details	Audience
Early Intervention	Transition	Interventions begin at student transition to YCS through strong and effective partnerships with our preschool and other local primary schools. Early transition structures are established for students who require extra time to adjust to a change of school. Year 7 transition and our Little Eagles programs are comprehensive programs to support students to settle into our school. A transition advisor is responsible for implementing transition processes from preschool to post school, including providing comprehensive support for subject selections at key transition points, developing career transition plans for Stage 6, and liaising with external agencies to promote a vast variety of post school options, including school-based apprenticeships. Regular work experience opportunities are provided for Stage 5 and 6 students.	Students preschool- post school
	<b>Behaviour Learning and Support</b>	Some students require early and targeted interventions to support their behaviour and educational progress. The school's application of the care continuum ensures that proactive interventions are utilised responsively by teaching and learning staff.  -The Learning and Support Team leads targeted support for students who require additional assistance. <a href="#">LST Procedures</a>  -Pastoral Care- our youth worker is an essential support to our students, staff and community. The youth worker runs programs such as 'Soul Shine', 'Seasons of Growth' and sand play therapy. They also provide individualised support for students and their families as needed.	Some students

<b>Targeted Intervention</b>	<b>School/ external wellbeing programs</b>	<p>-The Resilience Project is a whole school wellbeing program focusing on the three key pillars that have been proven to cultivate positive emotion; Gratitude, Empathy, and Mindfulness (GEM), with Emotional Literacy being a foundational skill to practise these strategies.</p> <p>-Weekly wellbeing lessons- weekly wellbeing lessons are implemented to improve student wellbeing. In 2025 wellbeing time will be used for the Resilience Project.</p>	Whole School  Year Advisers
	<b>External agency and contact support</b>	<p>Some students and families require support beyond our school. This includes engaging organisations such as headspace, working with out of home care organisations, and Commonwealth psychosocial support programs.</p> <p>WHIN – Our school also utilises the services of a Wellbeing and Health Inreach Nurse one day a fortnight who works closely with families who require additional support.</p>	Learning and Support Team
	<b>Classroom management strategies and routines</b>	<p>Staff are trained in behaviour management practices that are aligned with the Positive Behaviour for Learning (PBL) and Trauma Informed Practices that provide an effective blend of strategies, routines and interventions that address age appropriate mis-behaviour and encourage positive student behaviours. Staff understand that behaviour is communication.</p> <p>Staff communicate regularly with families to ensure all key stakeholders are involved in the educational development of every student.</p> <p>Some interventions may include:</p> <ul style="list-style-type: none"> <li>- classroom teacher- behaviour monitoring, differentiation and learning adjustments, parent contact, meetings and interviews, restorative conversations, and reflections, LST referrals</li> <li>-PBL universal language and explicit teaching of expectations.</li> </ul>	All Staff  Staff and families  Classroom Teacher
