Minutes

Presidents Report Written Report received, spoken to and attached

Treasurers Report Written Report received, attached
Closing Balance at 7th April, 2018. \$7622.33

Principals Report Written report received & attached.

Extra-curricula: As the response was so small, it does not warrant the extra work that the school would need to put in for such a small response. Suggest that the school not continue with this funding.

Finances BYOD: P&C agrees that there should be available 1 rebate to each student every 4 years. The \$100 rebate could be credited to the students school account but would not be the only way to claim the rebate.

Other **'No note, No go' policy.** P&C agrees with the policy. Is it possible to add to the app and website an online permission note that could be filled in and accepted as permission to attend the excursion.

Defibrillator. The P&C feels strongly that there should be a Defibrillator installed within the school grounds.

Catering Report Alison gave verbal report of income from Athletics Carnival.

Fundraising Report None Received.

P&C Meeting feel this would be a great way to get more information on how to be effective and what is required of us as a P&C, and also to support the Federation who are bringing this information session to us, rather than us travelling to the city.

Conclusions:

To reserve 5 places for Esther, Alison, Bonnie-sue, Megan & Renée to attend.
