Program

PRINCIPAL'S REPORT:

We are very pleased to announce some of the Year 12 students early entry into university offers. Congratulations to:

•**Brittney Smith** who has been offered **two courses:** *Bachelor of Occupational Therapy* at CSU Albury-Wodonga and *Bachelor of Medical Radiation Science with specialisations* at CSU Wagga Wagga

•**Grant Iles:** *Bachelor of Exercise and Sport Science* at CSU Bathurst

•**Izabella Molnar:** *Bachelor of Nursing* at CSU Dubbo

Congratulations to **Mr Andrew Rogers** who has been made permanent at Yeoval Central School by central appointment. **Ms Kate Border** will also join us in 2014 as the Primary RFF teacher.

Last week, our school had an intensive audit that looked over our Finances and Work Health and Safety procedures. We were rated 'satisfactory' in all areas, complying to Departmental policies and procedures. Well done to **Mrs Jenny Sullivan our School Administration Manager and the office staff** for this successful outcome.

It was very pleasing to see many **primary parents** at our information session last Tuesday night. More information regarding your child's classes will be sent home once our whole school timetable has been finalised later in the year.

The **2014 Year 7 class** had a great Transition Day last Wednesday, thanks to **Mr Olsson** who organised the day and the **secondary staff** who ran high school taster lessons for the class. It is pleasing to see so many eager students ready to begin high school!

Well done to **Sara Cannon and Evelyn Tremain** who organised the school walk-through over the weekend. With our primary rooms being replaced over the next few months, the opportunity to visit your old classrooms was well received.

Today, we have also sent home the **order forms for the new uniform**. Please complete the form and return to the front office with the correct monies. This ordering process can occur anytime during the year. Don't forget that the school will provide each child enrolled at YCS in 2014 with **one polo shirt** and **one hat/cap** – a separate form for this is required.

Nicole Bugeja

Principal (Rlg)

HSC PDHPE – SCOTT OLSSON—YEOVAL

PDHPE (Personal Development, Health, and Physical Education) is one of the most popular courses chosen by students in the HSC throughout NSW. Course modules include Health Priorities in Australia, Sports Medicine and Sports Performance. For the HSC years of 2013 and 2014 the course is being delivered by Scott Olsson from Yeoval Central School. The greatest asset that this subject has is the quality of the co-teachers to challenge, motivate and further educate the senior students. Students from Yeoval, Peak Hill, Trangie, Tullamore and Trundle are working hard to achieve their best possible result in PDHPE.

LUNCH ORDERS

Reminder to parents regarding lunch orders. Please have students order lunch through the school rather than ringing the Billabong directly. This will ensure that the lunch order service runs more smoothly and that all students get their lunch on time.

YEARS 7-12 ASSESSMENT TASKS:

TERM 3		
Yr 12 Physics	20 November	15%
Yr 12 Ind Tech	27 November	10%
Yr 12 Maths	27 November	10%

For her diligence and tenacity to always do her personal best.

Year 7: Jaide Devenish.
For always displaying an enthusiastic approach to all subjects.

PRIMARY MERIT AWARDS

A BLUEPRINT FOR RURAL AND REMOTE SCHOOLS

The NSW Government has announced a detailed plan to improve student learning in rural and remote public schools across the state.

Rural and Remote Education: A blueprint for action is a four-year plan focused on improving education for students in rural and remote areas, from early childhood through to post-secondary career planning.

The rural and remote education blueprint will focus on:

- strengthening early childhood education
- giving students access to a broad range of curriculum opportunities, particularly for gifted and talented students
- providing new incentives for teachers and school leaders to teach in our school
- support from a one-stop-shop specialist centre that offers coordinated inter-agency health and wellbeing services, advice and technology support to help us meet our student needs.

This announcement builds on other education reforms that have been introduced over the past two years such as Local Schools, Local Decisions. These reforms recognise that students and school communities are not all the same; they have different needs and require different levels of support.

To help you better understand what this announcement means for our school and community, feel free to contact the school for more information on 6846 4004.
