PRINCIPAL'S REPORT:

Wow! What an amazing week for student achievement last week:

•Our **Open Girls Softball Team** competed in Mudgee and were placed **2nd overall in the Western Area**. Thank you to our parent drivers: **Tracey Fox, Craig Kramer and Dean Brown**. Well done to **Mr Rogers** who coached the team and led them on the day.

•Our **Food Technology and Hospitality classes** catered for several events over the week. The Western Access Principals enjoyed their meeting much more with the morning tea and lunch provided by the students. The PCG group that meet to discuss the public works at the school and the Interview Panel also enjoyed the morning tea and lunch provided. On Thursday both classes catered for the *Red Cross Christmas Luncheon*. Twenty-five members enjoyed a three-course meal and refreshments. Well done to **Ms Kerin** who has coordinated these events.

•Congratulations to **Jake Monk and Tamara Lees** who trialled for the Western Cricket Trials.

•Our **2014 School Captain nominees** delivered their speeches to the Primary and Secondary assemblies on Friday. We are very proud of all students who nominated, their speeches were amazing. You will have to ensure you attend our Presentation Night to hear who are the successful applicants.

You may have seen our **drumming students and Mrs Johnson on Prime News** last Tuesday night. Our students were showcasing their talents, check them out on the Prime website: [http://](http://au.prime7.yahoo.com/n3/news/a/-/local/19922890/yeovil-drummers-video)

au.prime7.yahoo.com/n3/news/a/-/local/19922890/yeovil-drummers-video

(note: Prime have spelt our town name incorrectly, if you are searching).

Uniform order forms were sent home last week. **Please continue to complete and return the order form for your free polo shirt and hat/cap**. If you are planning to purchase new shoes for your child over the holidays, our new uniform requires the students to have '**black shoes**'. We do recommend leather shoes, however any black shoe is appropriate for 2014. Leather shoes are required in the specialist areas like the kitchen, trade training centre and the farm.

Today we successfully completed another **evacuation drill in nine minutes**. The drill is part of our mandatory **Work Health and Safety** requirements. Congratulations to all staff and students.
