## VET WORK PLACEMENT

As part of the HSC requirement for all VET (Vocation Education Training) subjects, students must complete 70 hours of Work Placement over Year 11 and 12.

During Week 8 of this term, seventeen students from: Tullamore, Trundle, Trangie, Yeoval, Tottenham and Peak Hill Central Schools, had the opportunity to stay at the Aussie Cabins in Dubbo and participate in one full week of Work Placement. For the students who attended this was their final HSC Placement. It was a wonderful opportunity for all the supervising staff to spend some quality time with an amazing group of young adults. We were constantly impressed by the: polite, positive, cooperative, punctual and well organised students who represented themselves, their families and schools so admirably during the week. These students have certainly set a high benchmark for behaviour, attitude and work ethic for future Work Placements.

Each of the students found their placement an incredibly rewarding and exhausting experience. It was a pleasure to visit each of the work places and to hear the praise and enthusiasm the businesses had for our students. Work Placement is a wonderful opportunity for our students to demonstrate their skills and talents and historically, a number of our students are offered part time work and apprenticeships as a result of their Work Placement.

Catherine Doyle

Work Placement Coordinator
