CLUB KIDPRENEUR

After all their hard work over the last few weeks starting up a business, the big day had arrived. It was time to sell their products. Our Kidpreneurs were up bright and early Saturday morning to set up their stall at the Wellington Rotary Markets. Their stalls looked great and they were excited and ready for business.

Customers were very impressed to see students who were so disciplined and had worked hard to produce quality products. Business was steady and many requests for personalised frames and keyrings kept them on their toes. They handled the pressure well and showed great customer service. With the help of some baked goodies to boost the profits, both businesses have covered

their expenses and are only \$10 off their business goal of \$80 for the Starlight Children's Foundation!! As most of their products sold, they have a busy week making more products ready for the **Yeoval Family Museum open weekend this Sunday 1 September**. Come along and support our Kidpreneurs and the Starlight Foundation.

Mrs Smith.

SECOND IN STATE FOR CENTRAL SCHOOLS

Well done to our Lawn Bowlers who braved the elements in a sunny, cold, rainy and windy day in Dubbo. The team consisted of Bailey Carr, Jordan Stubbs and Lachlan Wykes.

In the first round we defeated Binnaway 15-4.

In the second round we played Gulargambone A and were defeated 12-4.

In the third round we defeated Tullamore 17-3.

This meant we came second in our pool and we played Gulargambone B in the semi final, the boys played sensationally winning 21-4 over 9 ends. We then went on to play Molong in the Final and the boys played extremely well but were narrowly defeated 7-5. The boys should be proud of their efforts as they played well, playing in the spirit of the game and represented themselves, the school and their families with distinction.

Scott Olsson.

Parents and friends viewed some outstanding documentaries featuring some well known and not so well known identities from around the world. Each student went through a long process of research, collating information, filming, editing and producing a documentary in a format of their choice. These ranged in diversity from a diary to newspaper article to video. Congratulations for an outstanding effort from every student in the class.
