**PRINCIPAL'S REPORT:**

This week we have several activities organised for **Education Week**. Grandparents and/or friends are invited to join us on Thursday morning at 10am. Brittney Smith and I travelled to Peak Hill Central School today to celebrate the launch of Education Week for the region.

It is also **Literacy and Numeracy Week** this week, students will be working on a narrative that will be composed by several classes. Our Primary classes have been working on their verse speaking for the Wellington Eisteddfod tomorrow. We wish them all the best.

Please have any variations to the **uniform proposal** to me by Thursday 1 August. The next P&C meeting on 13 August will finalise the uniform changes in preparation for 2014.

Attached this week is our **Behaviour Management Policy**. This policy outlines the expected behaviour of our students in different areas around the school and the consequences of poor behaviour. The P&C and SRC have been consulted in this document which ensures that we are consistent across K-12 and that the expectations of students are clear.

Last week we hosted five teaching students from Sydney. They were all very impressed with our school and the community. Our resources and lessons far exceeded their expectations of a small rural school. I was very proud to hear these comments.

## JEANS FOR GENES DAY

On Friday 2 August Yeoval Central School will be supporting the "Jeans for Genes" annual fundraiser. All students are invited to get into the spirit and wear jeans to school. The SRC will be collecting a gold coin donation from those who wish to participate.

## BEYOND THE LINE

The Beyond The Line Program has been a positive and insightful experience for us (Bryony, Katie, Gill, Katherine and Laura-Jane). The hospitality of staff, students and the local community has been amazing.

We have shared many wonderful moments on our visit including the positive observation experiences within classrooms filled with friendly and polite

students. We have been blown away by the willingness of teachers to generously share their knowledge and expertise. The rapport between staff and teachers and the students has also been a stand out.

The local farm visit, a first time experience of a working farm, complete with fine food, fine wine and good company was a highlight along with the sightseeing tour of Wellington township and the Wellington caves.

We would like to take this opportunity to thank staff, students and the local community for making our first experience to a rural life a memorable one.

Beyond The Line Students.
