

# Students Visit UPA Residents

On Monday 24 November Year 7-10 visited the UPA to see the residents. The students discussed the projects they had made in Technology during the year. The students talked about the skills they had learnt and tools used. The residents loved talking with the students and seeing the fantastic work students had completed throughout the year.

**PRINCIPAL'S REPORT:**

Well done to our **Year 10 Students** who completed their second week of work experience. Well done also to our **Year 11 VET students** who completed work placement in Dubbo last week.

It was great to see so many **2015 Kindergarten and Year 7 families at our BBQ last Wednesday**. Our transition programs are now complete for the year, we look forward to all students beginning Kindy and Year 7 in 2015.

I would like to encourage you to see the fantastic **Art Exhibition our 3E primary students** have on display in the library.

This Wednesday our **Annual Sports Assembly will begin promptly at 2pm**. Please come along to see the highlights of this year from our extensive sporting calendar and to congratulate our students on their achievements.

*Please sign in to the office if you will be visiting the school for either event.*

**P&C MESSAGE**

Yeoval Central School P&C Association fully supports the executive decisions of the school.

A new 1.5m security fence and gates will be erected around the perimeter of the school, with works to commence early 2015. The fence is being installed for the safety and wellbeing of our students and to comply with Work Health & Safety regulations.

In the past residents of Yeoval have been able to walk through the school grounds to access Crown St from Obley St. Sadly times have changed. The P&C have been advised that no formal contract or legal agreement has been entered into with Cabonne Council in regards to this walkway. Public access through a NSW Public School would be in breach of Department rules and by law as this is within Inclosed Land if one enters without permission you will be trespassing.

Its legislated that ALL VISITORS to NSW Public Schools must follow the sign in procedure at the front office. Remember to your child, you are a parent, grandparent or a local - to other students you are a stranger. Our school leaders represented their peers with concerns that public seating placed by council were facing towards the school playground and less than 1m from the school perimeter, students felt intimidated by members of the public. Council was approached in the interest of the student's welfare and seating was removed. The seat has since been replaced facing the street.

Yeoval Central School has 140 students from K-12, employing over 25 staff. The school is a major contributor to our Yeoval Community with a follow on effect to our local businesses, transport companies and the local staff that they provide employment for.

Please support our school.

## WESTERN ACCESS PROGRAM COURSE INFORMATION VET Construction

This course develops skills for the construction industry ranging from carpentry based projects to levelling and concreting. During 2014 the Preliminary students included Sam Jackson (Tottenham), Jordon Stubbs (Yeoval), James Dunn and Clayton Hartin (Peak Hill). The Preliminary group this year have been working on projects such as the Carry All Toolbox, Oil Stone Case, Bench Hook, Mitre Box and the Saw Horse. Meanwhile the HSC group comprised of only Peak Hill students included Corey Hando, Chad Hartin, Elliott Learmonth, Marcus Dargan and Bondi Fitzpatrick. The HSC group finished their Construction course by laying a concrete path.
