PRINCIPAL'S REPORT:

Well done to our **secondary students** who competed at the **Central School Swimming Carnival** last Wednesday. Many thanks to our parents who assisted in driving: **Tracey Fox, Bill Phillips and Stewart Fitzgerald.**

On Friday we held our annual **Leaders Induction Assembly.** Our **School Captains** chaired the assembly and did a wonderful job organising the video and guest speaker, **Laura Johnson.** Laura was school captain in 2011, we were very lucky to hear her speak about the opportunities she had as a student and leader of YCS and her successful transition to tertiary education. Well done to our **Food Technology and Hospitality classes** who catered for our leaders and their parents and guests.

This **Thursday** all students will participate in workshops led by **Belinda Bosstock the Police Liaison Officer.** She will work with students from Kindergarten to Year 12 on age appropriate topics such as stranger danger, road safety, child protection, bike safety, sexting and cyberbullying.

This Friday all students will participate in school photos. **Please ensure your child is wearing the new polo shirt, dark navy bottoms, white socks and black enclosed shoes.**

All envelopes and money must be back in to the school office by Tuesday 4 March.

Access Camp

Wednesday, Thursday and Friday of Week 4 Year 11 attended the annual Access camp at Lake Burrendong Sport and Recreation Centre.

Over the 3 days the students participated in lessons with their Coordinators and activities conducted by Sport and Recreation. Each lesson was 1 – 2 hours long with valuable time spent with their cohort.

Some of the activities conducted by Sport and Recreation staff were boomerang making, grass skiing, archery, rock climbing, raft building and fencing. Night time activities were team events such as trivia, playing ball games, frisbee and watching a movie.

The students were placed in teams with their leaders being the In School Access Coordinators. Over the 3 days they were given a series of challenges to complete and the winning team received a prize. There were many opportunities for students to be

rewarded with iTunes vouchers or gift vouchers. I was very proud of my students and I am sure they made valuable friendships whilst there. I am sure they had a rewarding experience both in lesson time and activities.

Mrs Elaine Bates.
In School Access Coordinator.

Homework help

Do you struggle to understand your child's homework? Does your child need to practise their spelling and times tables? Are you looking for inspiration for projects and assignments?

The free School A to Z app has been created by the Department of Education and Communities to help parents and their school-aged children, wherever and whenever they have homework and study questions.

Homework and multi-tasking

Somewhere along the line we seemed to have absorbed the idea that teenagers can multi-task perfectly because they're digital natives. Can kids really do their homework and multi-task?
