Tuesday of every
month at 7.30 pm

Next P & C Meeting
10 June 2014.

A member of the
Western Access
Program

PRINCIPAL'S REPORT:

Well done to all of **our Rugby League teams** who competed in Dubbo last week. The boys played five or six games over one or two days. Outstanding results for all, including the **Under 14's and Under 16's soon to represent us at the state level.** Congratulations to **Lincoln Monk who received the Player of the Semi's and Ethan Monk who received Player of the Tournament.** Many thanks to our parent drivers and supporters.

Yr 12 students participated in two **HSC Study Days** in Dubbo last week gaining valuable tips and tricks for each of their courses. Thanks to **Mr Berney and Mrs Nicki Tremain** who assisted in driving the students.

Last Wednesday, **Blain Elliott and Morgan Mobbs** completed an **Industry Study** of businesses in Dubbo. This was part of their Industrial Technology HSC Course and information they gained will be used in their HSC examinations.

Well done to the following students who led anti-bulling activities with all students on Friday afternoon: **Darby Tremain, Lochlan Cameron, Kaitlyn Butler, Boudicea Blatch, Anna Koneska, Charlie Iffland, Madaline Harvey, Jake Monk, Caitlin Nuss and Cody McConnell.**

You will see some work beginning at the school this week on the **old primary block.** I will keep you updated with the progress along the way.

Our P&C meeting will be held in the school's computer room at 7:30pm tonight. Mrs Klein will be representing me whilst I am at the State Principal's Conference in Bathurst

Nicole Bliss
Principal

ASSEMBLY:

Friday 13 June at 1pm.

COMING EVENTS:

10 June	Movie Night
11 June	Western Cross Country
12 June	Central Schools Lawn Bowls
13 June	Lamb Marking

CAREERS

MEET A KEEPER

Meet a Keeper is a one-day program for school students aged 14 years and over who have expressed a keen interest in pursuing a career at the Zoo, but can't attend the School Work Experience.

This unique program includes a seminar presented by a talented panel of Zookeepers, Zoo educators and other Zoo staff members. Students have the opportunity to learn about all aspects of zoo-keeping, including:

- Qualifications required
- Career opportunities
- Core responsibilities
- Careers structures and wages

Afterwards, guests are invited to explore the Zoo as they make their own way to a mystery behind-the-scenes animal tour. Tour times vary and are arranged at time of booking. Mystery tours run for approximately 25-35 minutes and are arranged by staff on the day.

Students, see Mrs Johnson if interested.

TERM 2 ASSESSMENT SCHEDULE

YEAR	SUBJECT	DATE DUE	W%	TASK
9	Mathematics	Week 7	10%	Investigation
10	Mathematics	Week 7	10%	Investigation in class
11	Advanced English	Week 7	25%	Contextual Study: PowerPoint Presentation

11	Metal & Engineering	Week 7	—	Clamping Assembly
12	CAFS	Week 7	15%	Essay: Parent and Caring
12	Mathematics	Week 7	25%	Logarithmic & Exponential Functions

ENGLISH STUDIES

The English Studies course is designed to support and engage students in developing their proficiency in English. This course is a non-ATAR course, so students consider whether this is the right option for their future study plans.

This course provides students with knowledge and learning to help students understand the world which lies outside of school. They do this by studying things such as interview techniques, resume writing and looking at rental applications as this gives students a real world view of English in use.

Currently students are studying “English in Sport” with students creating a motivational speech and narrative.

Courtney Middleton - Tullamore

SPORTS REPORT

It has been a very busy time in sport for the last month. The athletics carnival was completed in Friday Week 4. We had tremendous weather and the students participation rates was very high, thanks to the P and C for running the canteen and the staff, parents and students for making it a fantastic carnival.

Age	1 st	2 nd	3 rd
5/6 Boys	Brodie Crain		
5/6 Girls	Abilee Berney	Lyndsey Tremain	Olivia Cameron
7/8 Boys	Joshua McClure	Caleb McClure	Johnathon Taylor
7/8 Girls	Jessica McClure	Elke Bishop	Skye Cusack
9/10 Boys	Douglas Philipson	Connor Wilkin	Phoenix Blatch
9/10 Girls	Victoria Brown	Ailee Tremain	Lillie Harvey
11/12 Boys	Daniel McClure	Angus Berney	Harry Giblett
11/12 Girls	Grace Monk	Hannah Taylor	Boudicea Blatch
12/13 Boys	Joseph McClure	Logan Porch	William Phillips
12/13 Girls	Jordan Fitzgerald	Skye Saunderson	Sydney Tremain
14/15 Boys	Ethan Monk	Lincoln Monk	Jacob Stubbs
14/15 Girls	Alison Brown	Mackenzie Tremain	Josie Lees
Open Boys	Corey Furminger	Josh Berney	Charlie Iffland
Open Girls	Danika Phillips	Morgan Mobbs	Darby Tremain
House	Farrer 852 points	Macarthur 477 points	Paterson 475 points

I had the pleasure of taking the Western Boys Hockey side away to Wollongong for the NSWCHS championships. It really highlighted to me that sport can always throw up surprises, with our side defeating a very strong South Coast team which contained 6 NSW U/18's representatives. Unfortunately, Western lost to North Coast in the final 3 – 1.

The highlight though was our success in Rugby League 7 a side. We competed in the Western Area 7 a side central schools knockout in U/14's, U/16's and Opens division. We may not have had as impressive uniforms or number of players compared to other sides, but we showed tremendous heart and character.

The U/16's played first and in the first game defeated Binnaway 30 – 6. We then played a combined Trundle/Tullamore side and won 30 – 10. We then went on to play a combined Trangie/Peak Hill team and won that narrowly 6 – 4. The following game we played Molong and with the scores at nil all at half time they narrowly defeated us 10 – 0 in what was a brutal game. We bounced back against Lake Cargelligo 28 – 4 and then beat Coolah 16 – 12 in the last game. This meant that we came 2nd in the tournament and we progress through to the NSW Central Schools Finals to be held in Dubbo. Ethan Monk was named Player of the Tournament.

The Opens side played the next day which was made up of a lot of the U/16's. They played a strong Coolah team in the first game and were narrowly defeated 10 – 6. In the second game they played Walgett and this was highly entertaining with some great tries scored and Yeoval won 24 – 10. They then played Lake Cargelligo in the last pool game and won that 26 – 4. This meant that the boys came 2nd in the pool and now needed to play a very strong Molong side. The boys were tired and busted but never gave in and were defeated 28 – 12.

The U/14's had a sensational day going through undefeated and progressing to the NSW Central Schools finals as well. They played an Orange Anglican Invitational team and won 30 – 12, then beat Gulargambone 28 – 10, in the match of the day the Yeoval side defeated Molong 20 – 12. We then played a combined Tullamore/Trundle team and won that game 24 – 12. In the semi final the boys played their hearts out through fatigue and injury and won 18 – 16. Lincoln Monk was named player of the Semi Final.

I would like to thank all of the parents who supported over the 2 days with first aid, travel and encouragement. The boys represented themselves, their families and their school with pride and distinction and I could not have been more proud.

The opens team consisted of: Jake Monk, Matthew Wykes, Charles Iffland, Jordan Stubbs, Billy Kramer, Jayden Cusack, Josh Fitzgerald, Ethan Monk, Bailey Carr, Harry Pittis

The U/16's team consisted of: Ethan Monk, Billy Kramer, Jayden Cusack, Josh Fitzgerald, Bailey Carr, Harry Pittis, Harry Finlay, Jacob Stubbs, Lincoln Monk with assistant coach Jake Monk

The U/14's team consisted of: Lincoln Monk, Jacob Stubbs, Blake Cameron, Will Cannon, Jamie Jerrard, Ruben Hudson, Joseph McClure, Zayden Phillips, William Phillips, Brian Peacock and Logan Porch with assistant coach Colt Phillips.

Mr Scott Olsson

YEAR 4/5/6 PERFORMANCE

Year 4/5/6 had a design brief to create a performance. We had to reveal basic facts about Ned Kelly as well as design an animation to go with the performance.

We worked in groups.

Group 1: Dance Choreography

Group 2: Collection of facts and writing script.

Group 3: Utilised an Ipad app, *Toontastic* to create an animation.

We had a great time and highly recommend that given the opportunity, you should grab it.

Year 4/5/6

LEFT: Year 12 student Caitlin Nuss with the White Chocolate Mousse with Rhubarb Compote made in Hospitality.

RIGHT: Some of the volunteers helping at the Year 5/6 Motor bike Rally fundraiser on the weekend.

School Holiday Fun

Zoo Adventures – Taronga Western Plains Zoo Winter 2014

Zoo Adventures is a school holiday program for students attending primary school, aged from 5-12 years, which is run by qualified staff.

Children experience the sights and sounds of the zoo; join in with art/craft and other activities with an animal theme!

<p>Amazing Animal Athletes</p> 	<p>Living in the wilderness can be tough! Animals need to contend with extreme weather conditions, rugged terrain, and fierce competition between species for food and resources. It's a tough battle where only the fittest will survive!!! Luckily, just like superheroes, animals have evolved special adaptations to help them deal with the challenges of the wild! Join us at the zoo to learn all about the Amazing Athletes of the Animal Kingdom and put your own abilities to the test by participating in physical challenges!!!!</p>	<p>Crazy Creature Communicators</p> 	<p>Communication is key in our big busy world, and something we all need to do on a daily basis. It helps us get things done, make and maintain friendships, and it also comes in handy when we find ourselves in trouble. Animals need to communicate for similar reasons, but not always in the same ways humans do. They certainly don't make phone calls or send emails!!! Join us at the zoo as we explore some of the cool and crazy ways animals communicate with each other, and test your own communication skills through a variety of fun games and activities.</p>
<p>Weird and Wonderful Wildlife</p> 	<p>Our planet is home to an amazing variety of plants and animals. Some are big and some are small, some are short and some are tall, some are fat and some are thin, some have feathers, fur or fins. But then there are other types of animals – some so bizarre that the only way to categorise them is to say they are weird and wonderful. Join us at the zoo as we learn about some of the world's most curious creatures and the peculiar adaptations that make them stand out from the rest of the world's wildlife.</p>	<p>Festy Fauna Features</p> 	<p>Did you know that a giraffe's tongue is so long they can use it to pick their nose? Or that flies vomit on their food before sucking it up through their straw-shaped tongues? Perhaps you were unaware that turkey vultures bathe in their own urine? Join us on a gut-wrenching mission as we discover more filthy animal facts, and learn about why they have evolved these horrendous habits!</p>

Details

Age: 5 – 12 years (must be attending school)

Time: 8.30am to 3.30pm

Cost: **EARLY BIRD SPECIAL** - payment must be made before COB 20 June 2014

\$40.00 per child per day

\$36.00 – ZooFriends per child per day

NORMAL RATE - (after 20 June 2014)

\$55.00 per child per day

\$50.00 ZooFriends per child per day

You must be pre-booked to use this service.

- No refunds on cancellations after 24 June 2014
- Bookings close 27 June 2014.
- Payment must be made at time of booking.
- ZooFriends must send copy of current membership in child's name when booking to obtain discount.
- Program/activities subject to change without notification.

What to Bring

Clothing to suit all weather and hat

Enclosed shoes

Lunch and Drink Bottle

Painting apron or old shirt for craft activities

Morning Tea is provided

WASTE 2 ART 2014

'YEAR OF ELECTRONIC WASTE'
* FREE WORKSHOPS TO BE RUN IN CONJUNCTION *
WITH THE OPENING OF THE WASTE 2 ART
REGIONAL EXHIBITION

WORKSHOP 1: 'Electronic Waste Workshop' | June 28, 2014 | 10am to 4pm |
Western Plains Cultural Centre 'Wet Studio', 76 Wingewarra St Dubbo.

Waste 2 Art 2013/14 - The Year of Electronic Waste. Each year we try to feature one problem waste as part of our annual Waste 2 Art project. This year we would like to encourage everyone to think about one particular waste stream that is growing three times faster than any other type of waste... E-Waste or Electronic Waste. Have you ever thought about the amount of valuable and scarce materials that took the earth millions of years to create that go into making all this E-Waste? Doesn't make much sense to just throw it away does it!!!!

Workshop Facilitator - Kathy O'Hara

"Not only does e-waste provide novel, and readily available construction materials, but the therapeutic benefits of dismantling (as vigorously as you like) all these gleaming printers, tablets, routers etc which no longer fulfil their promise, can be very cathartic indeed!!"

The workshop will be facilitated by Scrapitude Studio's Kathy O'Hara and Hargreaves art teacher Katrina Odgers (K.O. & K.O.). This pair met via Waste 2 Art and discovered a common passion for sideling junk into things functional (Kathy) and thought-provoking (Katrina).

This workshop is FREE & a light lunch will be provided.

To book please RSVP by 16 June 2014 to Sue Clarke | 0400 336 508 Email: ela@netwaste.org.au

WASTE 2 ART 2014

* FREE WORKSHOPS TO BE RUN IN CONJUNCTION *
WITH THE OPENING OF THE WASTE 2 ART
REGIONAL EXHIBITION

WORKSHOP 2: 'Wambangalang Kitchen Garden Workshop' | June 28, 2014 | 9.30am to 12.30pm | Wambangalang Environmental Centre | Obley Rd, Dubbo NSW 2830.

On average every year Australians throw away 118 kg of plastic. This workshop provides families with a great opportunity to upcycle some of that plastic... Come & help us make a beautiful plastic garden. (Children need to be accompanied by an adult).

Helen Standen is a talented artist in her own right & a teacher at Middleton Public School in Parkes. Helen has been a long-time supporter of Waste 2 Art & always inspires us with her amazing designs. (Pictured is the plastic garden that Helen & her students created).

This workshop is FREE & a light lunch will be provided.

To book please RSVP by 16 June 2014 to Sue Clarke | 0400 336 508 Email: ela@netwaste.org.au

Weekly Awards

ASSEMBLY:

Primary Class of the Week:

2/3/4 for awesome teamwork.

Secondary Class of the Week:

Year 12 Industrial Technology for great work in class and at Industry Study.

50 Nights of Reading Award:

Boudicea Blatch, Grace Monk, Hannah Taylor, Ailee Tremain, Matthew Tremain.

CITIZENSHIP AWARDS

Congratulations to the following students for cleaning graffiti off the community playground.

Jack Philipson,
Lola
Douglas Philipson
Lyndsy Jerrard
Tiarna Phillips
Rawson Phillips
Alannah Van Kemenade
Lochlan Cameron
William Phillips
Zali Wakely
Olivia Cameron
Abilee Berney

Congratulations to the following students who received awards this week:

MERIT AWARDS:

Bronze: Jack Philipson, Christopher Taylor, Caitlin Nuss.

Silver: Adele Bishop, Jamie Jerrard, Lauren Zell, Danika Phillips.

MATHLETICS:

Congratulations to the following students who received awards this week:

Bronze: Brodhie Crain, Brooke Haycock, Ella Job, Jessica McClure, Skye Cusack, Jayden Fox, Phoenix Blatch, Douglas Philipson, Talissa O'Neil, Boudicea Blatch, Xavier Charnock, Harry Giblett, Daniel McClure, Colt Phillips, Jamie Jerrard, Hin Yin Foster x 2.

Silver: Brittany O'Neil, Boudicea Blatch.

Gold: Ella Job.

STUDENTS OF THE WEEK:

Years K/1

Jonathan Molnar
For his amazing participation in creative arts lesson.

Years 2/3/4:

Phoenix Blatch
For outstanding academic progress in Literacy.

Years 4/5/6:

Lauren Zell
For her dramatic exuberance in retelling adventures and her expertise in performance.

Years 7/8:

Emma Hoswell-Parsons
For working well in all subjects.

Years 9/10:

Sheridan Sharpe
For excellent effort in all areas.

Years 11/12:

Caitlin Nuss
For her application to studies.
