Yeoval Central School

Term 3 Week 2

21 July 2014

Welcome Honourable Troy Grant MP, Member for Dubbo

WHITE RIBBON DAY

This Friday is 'White Ribbon Day'. As part of our school commitment to the 'Breaking The Silence' schools' program, we would like all students to wear a white shirt instead of their blue school shirt. During the day we will assemble the whole school in the shape of the 'White Ribbon' logo and take a photo to highlight the concept of non-violent and respectful school environments.

PRINCIPAL'S REPORT:

Well done to all staff and students who represented our school during the **Ministers visit** on Wednesday for the **turning of the first sod**. The **Honourable Troy Grant MP, Member for Dubbo** was very impressed with our **School Captains** who led the assembly, our **Senior Drum Corps and Primary Choir who performed** and our **Secondary Hospitality Department who catered**. Check us out on [Prime News](#) and [The Daily Liberal](#). *I was very proud of all of our students*. We are hoping to have access to the new Primary building by the beginning of Term 4. Once that is complete, the Stage 2: Administration Block construction will begin.

More great news! The DEC has approved our **old Principal's residence** to be demolished. We have been waiting many years for this too. We aim to open the area up to be a larger playing field for our students.

Corey Furminger represented YCS and the Western NSW Region at the **State Cross Country Finals** at Eastern Creek on Friday. Corey completed 8km in under 30 minutes, finishing up 45th out of 105 competitors. He overtook 37 runners in the 2nd 4km lap. **Well done Corey!** We wish Corey all the best for Friday where he will also be attending the Western Area Athletics Trials.

Congratulations to our **secondary students** who went to Orange Civic Theatre to view 'The Wedding Singer' performance. Despite the bleak temperature in Orange our students yet again displayed respect when representing us.

Our **Year 12 students** spent Thursday and Friday at Burrendong for an **HSC Access Camp**. They met with their peers and teachers from the other Western Access Program schools and were involved in intensive HSC revision workshops.

This week we welcome two university students, **Michaela (Secondary)** and **Susannah (Primary)** who are participating in the '**Beyond The Line**' program. This is a DEC initiative to give university students east of the Great Dividing Range an opportunity to **experience teaching in rural NSW public schools**.

Principal

P&C MEETING

Please note the change of time for our next P&C Meeting.

The meeting will be held at **4:00pm** in the Computer Room, next door to the Administration Office.

All interested parents are welcome to attend.
