**PRINCIPAL'S REPORT:**

Congratulations to all the students who delivered a school captain nomination speech on Friday. The quality and standard set by the 8 Primary students and 4 Secondary students was excellent. The leadership qualities shown by all was a credit to themselves and their families. It will be very close in the counting and whatever the result we will have outstanding captains in 2016.

Well done to Darby Tremain who has also gained early entry into CSU Wagga course as well as UNE, it must feel great to be in a position to choose prior to your HSC results coming out, congrats you deserve it.

Last Friday we had 8 sandstone blocks delivered to create an outside learning space and "Yarning Circle", the product is fantastic and Ed from Central West Sandstone was brilliant to work with, check out the photos on Facebook.

This week is a massive week with Year 10 work experience; school spectacular and intensive swimming starting. Please remember to bring your hat, sunscreen and plenty of water as it is getting hotter.

Last week myself, Mr Wright, Mrs O'Brien and Mrs Clark starting our Positive Behaviour for Learning training (PBL). We will be looking at rebranding our values with the staff and students of Respect, Responsibility and Cooperation. We have amazing staff and even better kids and by introducing some PBL strategies the school will be even better, safer, engaging and happy in 2016.

My own kids have reminded me we are close to Christmas and as I said to them there is still plenty of work to do and we can't let our standard of behaviour and attitude slip, keep working hard and remain focussed until the very end of term.

Our Financial rollover for 2015 begins in December so a reminder notice will be sent out with outstanding fees, if you could settle those accounts with the office it would be greatly appreciated.

The P and C meeting is on tonight hope to see you all there so I can thank you for your efforts and support in 2015, this is the last meeting of the year so come along and see what tremendous work the P and C do for the students of Yeoval Central School.

### STAGE FOUR ENGLISH INITIATIVE

The Stage Four English teaching staff is implementing a trial of single sex classrooms for the rest of the year. Academic research has shown that there are considerable benefits in 'having the best of both worlds', ie utilising separate classes within the wider co-educational setting. This includes increased learning outcomes and improved engagement. Mr Wright will be teaching the boys and Mrs Tremain will be working with the girls. We are looking forward to tracking the progress of our students during this time.

### WIRADJURI CULTURAL EXPERIENCE

Next Thursday 26 November, all Years 7 and 8 will be involved in a cultural awareness day with our Wiradjuri language teachers. The students will participate in some storytelling using our newly acquired 'yarning circle'. They will also complete some art works and learn about traditional weaving.

Students are looking forward to this opportunity.

## SCHOOLS SPECTACULAR

On Tuesday 24 November, six very excited Secondary students and an even more excited Mrs Johnson will travel to Sydney for the Schools Spectacular. This amazing event will be the last performance being held in the Sydney Entertainment Centre before demolition of the centre begins.

Schools Spectacular was the first event held there thirty years ago. The girls will have two days of rehearsal and two days of performance with over 2000 other students, singing, dancing and playing instruments.

We will arrive back on Sunday night. WIN TV will broadcast the show later in the year.

**Mrs Helen Johnson**

**Dont forget to bring your hat to school every day!**
