Term 4 Week 6

9 November 2015

## Year 5/6 Self Portraits

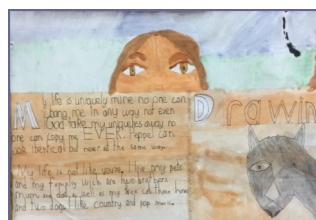

Years 5/6 designed these great self-portraits. The design brief was to create an artwork that reflects who they are today.

Students had points that they had to follow, including:

- ◆ Brainstorm ideas
- ◆ Create 3 draft copies
- ◆ Draft an explanation of their 'identity' work
- ◆ Create a masterpiece
- ◆ Students could use the medium of their choice
- ◆ Students had to design and make a frame for their artwork

Students had to consider some questions during the process;

- ◆ Can your best friend or family identify you in your self-portrait?
- ◆ Is it unique like you?
- ◆ Are you expressing parts or all of you?

### The Pozières French-Australian School Project Gold Coin Donation Day, November 11

The Camp Gallipoli Foundation has been appointed with the responsibility of engaging with schools to assist the Pozières French-Australian Schools Project. Camp Gallipoli welcomes the opportunity for our school to be involved in this important act of kindness and mateship, as was the case nearly 100 years ago. It is an opportunity to maintain our unique Australian bond with Pozières, where so many ANZACs paid the ultimate sacrifice. Importantly, each individual's contribution can create direct engagement with the events of 100 years ago by activating a living tribute in the minds of Australian school students today. **All Australian schools participating in the Pozières French-Australian Schools Project will be acknowledged with their school's name forever engraved on a plaque to be erected at the newly built Pozières School.**

***Our SRC would like all students to make a contribution to this very worthy cause. We are also asking the wider school community to make donations as well. These can be left at the school office.***

After the horrors of Gallipoli in 1915, the Australian army found no reprieve on the Western Front of France and Belgium in 1916. The Battle of Pozières was the Australians' first battle in the Somme, France. Australian official historian Charles Bean, said that the Pozières ridge "is more densely sown with Australian sacrifice than any other place on earth."

Over 6 weeks in July and August 1916, there were 23,000 Australian casualties at Pozières amongst the 1<sup>st</sup> 2<sup>nd</sup> and 4<sup>th</sup> Battalions, of which 6,700 soldiers were killed. This is nearly as many casualties and deaths that occurred over the entire 8 months of the Gallipoli campaign.

On 11 November 1993, soil from the Windmill site at Pozières was cast over the coffin of Australia's Unknown Soldier during his funeral at the Australian War Memorial in Canberra.

Pozières is a small village in a rural farming district of France with similar undulating countryside to that around Yeoval. Its official population is also similar to Yeoval's (238 in 2006). It was totally destroyed during the First World War, but was rebuilt afterwards.

A number of soldiers from the local area probably fought in the battle of Pozières, including: William Leaver, Charles Gibson, Harold Sparkes and Arthur Kearney (Yeoval), William Hendrick (Obley), Arthur Johnston and Frederick Coram (Baldry).
