YEOVAL CENTRAL SCHOOL

Term 4 Week 7
20 November 2017

At Yeoval Central School we inspire all to be responsible, respectful learners. Working together to achieve and grow.

NSW Farmers Visit

Our students showcased our school livestock to Jonathan Tuckfield from NSW Farmers and visiting community members at Friday's Secondary Assembly. This donation will be utilised to support the student's in their agricultural endeavours at school. We would like to thank NSW Farmers and Jonathan Tuckfield for their donation to our school and Sara Cannon for her continued support of agriculture at Yeoval Central School.

A Message from the Principal

Well done to all of our **Year 11 students** who completed **Work Placement** last week as part of their studies in **Hospitality and Primary Industries**. I thank **Mrs Skye Rush** our **WAP Transition Coordinator from Trangie CS** and **Mr Peter** for their organisation. **Mr Horley** and **Ms Freeth** spent their evenings supervising the students in Dubbo, for which I am very grateful.

Our **2018 Kindergarten class** is ready to start! They have transitioned well into 'big school' and have been part of our school for the last few months. I thank **Mrs Klein, Ms Crain, Ms Freeth and Mrs O'Brien** for their efforts. I thank all parents who attended on Wednesday night to hear about their child's start to school from **Mrs Klein** (class expectations), **Mrs Clark** (office and first aid) and **Mrs Gellert** (P&C) and to **Ms Freeth** who cooked the family BBQ.

At our Secondary Assembly last Friday, **Jonathan Tuckfield** from **NSW Farmers** presented our School with a donation towards our Agriculture programs and a membership to NSW Farmers Association.

Years 6 and 7 parents/caregivers and students attended an information session about our **FYIs** and learnt about the changes we are making to enable our students from 2018 to gain the necessary skills to engage meaningfully in their future. Our **Future Yeoval Innovator** team leaders are **Mr Horley, Mrs Blatch, Ms Loud and Mrs Behan**. It is a very exciting change for YCS!

Swimming

Intensive Swimming

Intensive Swimming is important for the development of our primary students swimming and lifesaving skills. The Department of Education requires that each instructor possesses an AUSTSWIM Teacher of Swimming and Water Safety Qualification. At this point in time Yeoval Central School has two staff qualified but we require more to sustain our traditional intensive swimming program in 2017.

We aim to both train and/or source the necessary number of AUSTSWIM instructors to enable the program to take place in Term 1 2018.

Secondary Swimming

Notes for our Secondary Swimming for Term 4 went home with the students. Please read the information and complete the form to be returned to school **by Wednesday 22nd prior to roll call**. Any student who does not return a note will not be able to participate in swimming activities.

K/1/2 Science

In Science this term K/1/2 have been learning about the weather. We are currently looking at the differences in clouds and which type causes rain. Last week we used our cloud identifier sheets to go out into the playground to see what types of clouds we could find.
