

Together we inspire
Together we learn
Together we achieve

YEOVAL CENTRAL SCHOOL

Term 4 Week 9
10 December 2018

At Yeoval Central School we inspire all to be responsible, respectful learners. Working together to achieve and grow.

Stage 6 English

Term four began with a bang! Our English study day provided an opportunity for teachers to see all their students and for the students to have an opportunity to work together. The students were able to get busy with some very engaging 'hands on' English tasks. We attacked the concept of 'Texts and Human Experiences' with gusto, creating artworks using paint, images, drawings and words. English Studies created a character study of one character from the text 'Billy Elliot' using a chair and newspaper.

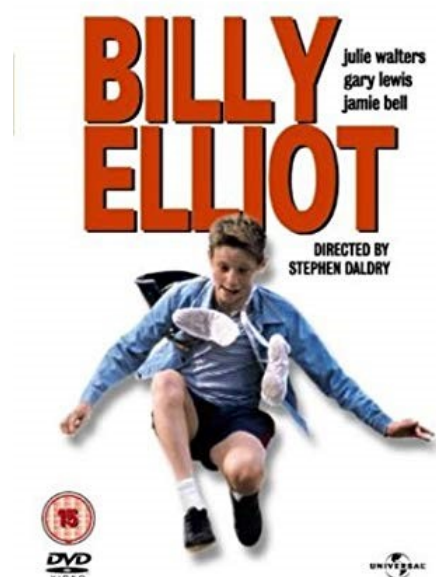

This term, all students are approaching the HSC Common Module 'Texts and Human Experiences' through different texts.

English Advanced are examining the implications of a dystopian world as viewed through the text 'Nineteen Eighty-Four' and the way that the human experience is challenged and manipulated by a society gone wrong.

English Standard and Studies are using the text 'Billy Elliot' to examine and explore the struggle for identity, the pursuit of dreams and how they overcome adversity.

We look forward to spending more time together early next year during our WAP camp.

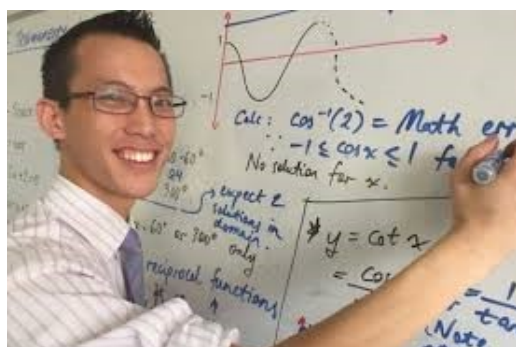

Mrs Helen Johnson

Eddie Woo Visit

Eddie Woo will be here this Wednesday 12 December. He is a mathematics teacher at Cherrybrook High School and was awarded Australia's Local Hero for 2018.

Mr Woo is best known for his YouTube channel, focused on explanations of perennial mathematical problems. He is the host of ABC's "Teenage Boss" and author of "Woos Wonderful World of Maths".

Treasurer: Mrs Alison Smith

A message from the Principal

What an exciting last eight days we have in store for YCS to end a great year! PBL Rewards Day, Primary Industries Tractor Day, 2019 House Captain voting, Eddie Woo's visit, Presentation Night, HSC results, Intensive Swimming, Sunrise fitness programs, Year 6 Graduation Dinner and Primary Disco and our end of year pool activity in the afternoon – a lot happening.

I am sure you will agree with me that our **Years 9/10 performance of 'The Real Inspector Hound'** was **OUTSTANDING!** Well done to **Mrs Helen Johnson** for taking the initiative to work with her English class to entertain our community – I appreciate all who attended to support our school. I would also like to thank **Mr James Sanders** for his work on the set, **Mrs Renee McClure** for loaning us the lights and taking the video, the **Yeoval District Baptist Church** for the use of the church and the **P&C** for providing the supper.

I would like to thank **Leanne McKenzie** who is the **Training Coordinator from Training Services NSW** for coming to our school to present **Michael Moore** with his prize from the recent Jobs Expo day in Orange. Michael won a huge toolbox!

Congratulations to **Josie Lees** who has been offered conditional **early entry into Charles Sturt University** for two courses: Bachelor of Nursing and Bachelor of Early Child Care. We are looking forward to receiving our HSC results on Thursday!

I thank our **Special Religious Educators** who volunteer their time each week and also for coordinating the end of year service last Friday.

Last week our **2019 Year 7 class** went to Dubbo for a team building day with their Year Advisor Mr James Sanders. I thank **Mr James Sanders, Mrs Michele Gee and Mrs Alana Kerin** who took the fifteen students from Cumnock Public, St Columba's, Wellington Public, Wellington Christian and Yeoval Central Schools.

Congratulations to **Chayanne Bunning** who was successful in her application in the **Harding Miller Education Foundation Scholarship**. Well done to all students who nominated, only 80 students were selected from 250 applications! Chayanne will receive a new high-quality laptop and in each of the next two years she will also receive wifi access, IT helpdesk support, online study help, tutoring costs, a pre-paid VISA card for educational purposes and a volunteer coach!

We successfully completed an **evacuation drill** last week. Our processes worked well, with teachers in relieving executive positions on the day ensuring all students were safe, as some were hidden in the school!

I look forward to seeing you at your **P&C meeting** tonight and again on **Wednesday at our Presentation Night** – we have been fortunate to secure **Eddie Woo** as a guest speaker.

Mrs Nicole Bliss
Principal

Transition day in Dubbo

Year 7 2019 went to Dubbo on Tuesday 4 December for an outing to Dubbo Gaol and Tenpin Bowling.

It was a great opportunity for students to better get to know their peers.

Thanks to Mrs Gee and Mrs Kerin for their assistance on the day as well as Mrs Corinth and the office ladies for their assistance in organising the day.

"The Real Inspector Hound"

Congratulations Year 9/10

Tom Stoppard's one act play *The Real Inspector Hound*, was written between 1961 and 1962. Earlier titles of the script were *The Stand-ins* and *The Critics*. It is a parody of classic theatrical mystery such as the long running Agatha Christie play *The Mousetrap*. *The Real Inspector Hound* is structured as a play within a play.

Well done Mrs Johnson for bringing quality theatre to the Yeoval community, and congratulations to the cast and crew who had the audience on the edge of their seats.

ZOO ADVENTURES

HAVE A WILD TIME AT THE ZOO!
SUMMER 2019

Zoo Adventures is an exciting school holiday program full of cool animal themed activities for school kids aged 5-12 years.

WEEK 1	ACTIVITY
Tuesday 15th January	Wild Water Gardens and Plants
Wednesday 16th January	Wiradjuri Water
Thursday 17th January	Water Waste Recycling
Friday 18th January	Backyard Water

WEEK 2	ACTIVITY
Tuesday 22nd January	Wild Water Gardens and Plants
Wednesday 23rd January	Wiradjuri Water
Thursday 24th January	Water Waste Recycling
Friday 25th January	Backyard Water

Wild Water Gardens and Plants: Learn and discover the wild side of plants and water and the animals who think they are delicious! Explore the bond between water and plants and how they work together to create life!

Wiradjuri Water: There are many Dreaming stories about the creation of water in forms of rivers, lakes and waterholes. Come learn about the significance of this precious resource through culture, song and dance.

Water Waste Recycling: Water is life! Let's conserve it! Join us in a mission to learn how we can all share and create a healthy planet for all living things who need water.

Backyard Water: Ever wondered how an elephant has a bath or what otters hunt for in the water. Come meet our animals and their keeper's behind-the-scenes for an exclusive tour to learn how important water is for them.
