FYI Project 2 Exhibition

Yeoval Central School's Future Yeoval Innovators project based learning class would like to invite you to attend the opening of our exhibition for our Project 2.

This project has been based around the question,

"How can our knowledge of past civilisations help us to live a balanced life today?"

Throughout this project we have been learning about past civilisations and their people. The exhibition will provide us with an opportunity to share some of the things we have learnt about the past civilisations with you.

As part of the exhibition you will be given the opportunity to participate in a workshop that has been inspired by a past civilisation based on developing and maintaining a balanced lifestyle.

We hope that you will be able to join us in our celebration of Project 2.

Time 2.00pm - 4pm
Where: Yeoval District Baptist Church
Date: Wednesday 12 June
I trust you all enjoyed the long weekend!

Congratulations to Emma Hoswell-Parsons who has been accepted into the Indigenous Access Program at CSU Dubbo. This program will continue to prepare Emma for university and if successful, gain entry to a course in 2020. Mr Jones has supported Emma in the process as our Transition Advisor.

Well done to our work placement students – Hannah, Michael, Lochlan, Daniel and Angus who completed a week’s work in their chosen industry in Dubbo. This is a mandatory part of their HSC courses and all have had very successful weeks. I thank Mrs Crystal Stanford and Mr Andrew Jones for their organisation and for supervising all students overnight. I also thank other WAP staff for their supervision, including Ms Freeth from YCS.

We began our High School Transition program last week where fourteen Year 6 students spent the day tasting secondary classes. It was lovely to see so many parents attend and I thank Mr Jones for his coordination and Mr Sanders as Year Advisor. The students also enjoyed a delicious meal from The Banjo Paterson Museum.

Our Year 12 students participated in the Western Region HSC Enrichment Seminars, preparing them for their HSC examinations. I thank Mrs Tremain for her organisation as Year Advisor and to Mrs Tremain and Mrs Bates for attending and driving the students in our bus.

I look forward to seeing you at our two community events this week!

- Eagle Café: our Year 12 WAP Hospitality students will cater on Tuesday
- FYI Exhibition: come along to participate in the learning journey our Years 7/8 students have experienced in the last project at the Baptist Church Hall on Wednesday from 2-4pm.

Students produced their own Chinese dragon hand puppets, a wreath of poppies and sampled some ANZAC cookies. They also reused items from home to create their own greenhouse and grow some rosemary seeds.
