A message from the Principal

This week our **primary staff and students will be dipping their toes into 'H2O'** – our new primary model as we move into 2021. I would like to thank our primary teachers who have worked on this planning: **Mrs Kate Lee, Mrs Debbie Blatch, Mrs Tracey Ind, Ms Amanda Crain and Mrs Jodie Klein**. Ms Lisa Cozma will also be joining the team this fortnight. I thank the primary teachers for joining our P&C Zoom last week to showcase their planning.

Intensive swimming also begins this week. This program supports students who are not as confident in the water. I thank **Mrs Carmel Vickers**, our sports coordinator for her organisation and the staff who are assisting. We are fortunate to have our local pool within walking distance. I thank **Cabonne Council and Kylie Woods** as Yeoval Pool Supervisor who have made this program and also swimming for PE and Sport accessible for our K-12 students.

Last week, **Mrs Debbie Blatch, Mrs Jodie Klein, Mrs Charmaine Miller and Ms Jodi Foster** took our 5/6 on another excursion – this time to Bathurst. The students had a great time visiting museums and the adventure playground.

The **2021 Kindergarten class completed their transition program** last week. I thank **Mrs Jodie Klein and Ms Amanda Crain** for their organisation. Some of the transition occurred at home this year with take-home packs and videos of activities to complete. We were lucky to have **James, Alani, Sophia, Hayley and Logan** return to transition onsite this term as our guidelines changed.

Well done to **our FYI class, Mrs Debbie Blatch and Ms Gemma Loud** on another amazing project and exhibition. The student's podcasts were my favourite!

Congratulations to our Year 11 students who completed **mandatory Work Placement** last week in Dubbo: **Jorja, Roudey, Ben, Claire, Mckayla and Tallia**. Many thanks to **Mrs Crystal Stanford and Mrs Helen Tremain** for their organisation. We are fortunate to have staff willing to supervise students overnight, I thank **Mrs Helen Tremain, Mrs Elaine Bates, Mrs Helen Johnson and Mr James Sanders** for giving up their personal time.

Congratulations to **Katie** on being selected in the Western CHS Girls cricket team for her 5th year. Katie was named Captain at the trials last Wednesday.

On Friday night, **Mr Ken Horley, Ms Gemma Loud, Mrs Elaine Bates, Mr James Sanders and I** were privileged to attend the **Western Access Program Year 12 Graduation Dinner** at Taronga Western Plains Zoo. It was wonderful to share the successes of twenty-two students who completed Year 12 between the five schools. I thank **Mrs Crystal Stanford and Mrs Lynette Edwards** for their organisation of such a lovely evening. Well done to **Chase, Daniel, Hannah, Lochlan and Michael** who have all completed Year 12. Their achievements in the **Western Access Program** include:

- ◆ Construction Certificate of Achievement: **Chase**
- ◆ Hospitality Certificate of Excellence: **Hannah**
- ◆ Hospitality Certificate of Achievement: **Michael**
- ◆ Modern History Certificate of Achievement: **Hannah**
- ◆ 2019 DUX: **Bridget Smith** with the highest ATAR

Congratulations to **Hannah and Michael** who have also received early entry offers to university.

FYI Project 4

Driving Question: How can everyone in our local and global community access basic resources?

Students built an awareness of homelessness to celebrate the resilience of people who are experiencing challenges in their life in Australia and empowering the next generation of young people to take action to prevent homelessness in the future. Students developed empathy for authentic issues facing our society today in a local and global context. It is hoped to empower students to become active citizens that have the capacity to make a difference. Students worked collaboratively with their designated peer group to create a podcast series that consisted of three podcasts, three accompanying scripts and an external interview. Students worked independently to design and create a fixed or portable recyclable shelter for homeless people using Microsoft 3D Builder and physically constructing a prototype.

Letters to Santa

K12 wrote letters to Santa as part of a writing lesson. First they drafted a copy and then they typed them on the school laptops. We watched from the fence as Mrs Ward safely delivered them to the Billabong.
