YEOVAL CENTRAL SCHOOL

Term 1 Week 4
17 February 2020

At Yeoval Central School we inspire all to be responsible, respectful learners. Working together to achieve and grow.

Wambangalang - Year 7 Camp

Year 7 students enjoyed two days of varied activities such as archery, bike riding and Initiative Games. It was a valuable opportunity where students were able to get to know their peers as they commence secondary school.

I would like to thank Mr Simon Gellert and Mrs Renee McClure who assisted with transportation, Mrs Helen Tremain who assisted with overnight supervision, and our 9/10 student leaders who came along as peer support.

Mr James Sanders

WAP Camp Burrendong Sport & Rec

What an amazing camp! Our Year 11 and 12 students spent 3 days at the Western Access Camp last week at Lake Burrendong Sport and Recreation Centre.

Students from all the WAP Schools participated in a variety of face to face lessons and activities with their coordinating teachers and peers. What a way to start the year!

At Yeoval Central School we are respectful, responsible and cooperative.

Our PBL focus areas for Term 1 Weeks 1-5 are:

- ◆ **Wear uniform with pride**
- ◆ **Be prepared with equipment and belongings**

A message from the Principal

I thank **Mrs Crystal Stanford**, our Head Teacher Access for her coordination of the **WAP Camp** last week. Over fifty students from our five access schools participated in workshops from Headspace and CSU, met with their peers and course coordinators and had fun participating in the sport and recreating activities. I thank **Mrs Helen Tremain** for her organisation to get our students there and to our dedicated staff who transported, presented and/or supervised overnight: **Mrs Elaine Bates, Ms Natasha Freeth, Mr Ken Horley, Ms Gemma Loud and Mrs Helen Tremain**.

Well done to our **Year 7 class** and their Year 9/10 leaders: Paul, Savannah, Lucy and Lillie who attended the annual Wambangalang camp. I thank **Mr James Sanders**, our Year 7 Year Advisor who organised the camp and **Mrs Helen Tremain**, our Head Teacher who also supervised overnight. Thanks to **Mr Simon Gellert** and **Renee McClure** who assisted with transport.

Mrs Carmel Vickers, our Sports Coordinator, organised for representatives from the NRL to run a workshop with all of our students about respecting themselves and others. It also included information about keeping our bodies healthy. I would also like to thank **Alex, Brayden, Dean and Simon** who were part of the **Roads to Regions: Rugby League Roadshow**.

Our FYI class has begun their first project of 2020 with an excursion to Taronga Western Plains Zoo. Their driving question is *"How can our footprint have a positive impact on today and tomorrow in our local environment?"* I thank **Mr Ken Horley and Ms Kristie Behan** for their organisation.

Last week, we emailed all **parents/caregivers** of our **Years 7 and 11 students**. We are kindly asking they complete a **very short online survey** to support our creation of a *'learning map'* for each student. Our strategic direction *Learning for the future* provides a holistic approach to the delivery of quality learning experiences that are focused and differentiated to develop confident, creative, collaborative and self-directed learners for a complex and dynamic future. A *learning map* will be jointly created to support the individual needs of each student. If you have any questions, please call myself or Ms Natasha Freeth, our Wellbeing Coordinator.

Donations - Rotary Club of Orange

We thank John Milling and Mary Brell of Rotary Club of Orange—Daybreak Division, who recently delivered boxes of backpacks to our school that were filled with back to school items as part of project "Raindrop".

How fitting that it should rain upon delivery! They were distributed to our secondary students this morning.

Stage 5: History

Stage 5 History have had a great start to the year. They were able to get a real understanding of the rapid development during the Industrial Revolution while they played "The Urban Game".

Mrs Kristie Behan

Stage 3 Science

Our 5/6 Class became detectives during the experiment 'Mess Investigation'. Students were looking at states of matter and whether they can be changed from one state to another.

Wallaroo Registration Information

Registrations are now open

What is Wallaroo Rugby?

Wallaroo Rugby is for players from the ages of 5 to 11 (U7 / U9 / U11) and is played on a Friday night at Victoria Park No 2 & 3 Ovals from 5pm to 7:00pm.

U7's is two handed touch and U9 and U11 play tackle with modified rugby rules, all players must wear headgear and a mouth guard to train and play.

The competition runs for approx. 13 weeks from 1st May through to August. Gala days are held in the region for Wallaroo's most Sundays, but these are optional.

Wallaroo Rugby provides a pathway for rugby skills in a great family environment.
