Kingdom Imagination

Year 5 and Year 6 receive a project every term. As Google Classroom is embedded in our daily routine this project is now uploaded on this platform for easy access for students to keep developing those valuable technology skills.

A change is that students are now given some class time to work on the slide presentation in class. This helps build and transfer essential skills. Students can work on this at home, especially if they are behind.

A major component of the home tasks is the element which is an opportunity for students to creatively express their knowledge and understanding of their research. As well as a speech to ensure class presentation is thoughtful and organised.

Below is one of the 5 slides to help students meet the Learning Intention: to research and present information.

Mrs Debbie Blatch

You are an engineer. Create an interesting presentation on a bridge or bridges.

Bridge
Bridge design
Types
Famous
Unique
World
Australian
Space
Future
History

How can I build a strong bridge?
What special features do bridges have around the world?
What does it mean to be an engineering feat?
Why is bridge material and structure important?

Think about:
- Headings
- Subheadings
- Images
- Facts
- Videos
- Presenting your information in your own words.

Read all information provided.
Do you understand what to do?
Seek help if necessary.

Think Quality
Use feedback. Peer and Teacher.

PARENT/CAREGIVER INVITATION TO:
2021 SUBJECT SELECTION EVENING
STAGE 5 (Year 9/10)
Current Year 8/9
4:30pm-5pm
STAGE 6 (Year 11/12)
Current Year 10
5:15pm - 6:15pm
18 August - ALL WELCOME!

At Yeoval Central School we are respectful, responsible and cooperative.

Our PBL focus areas for Term 1 Weeks 1-5 are:
- Follow instructions first time
- Keep your hands to yourself and think before you act
This week we wish our Year 12 students all the best as they begin their Trial HSC Examinations. Last Tuesday Hannah had a study day with Legal Studies teacher Mr Tony Keen from Molong CS. We thank Mr Keen for his dedication and support of YCS.

Our Years 9 and 10 students participated in White Card training coordinated by Mrs Katrina Corinth our Transition Advisor. This training is mandatory for any students who wish to enter a building site as part of their work experience. I thank Ms Leisa Rowlands one of our WAP teachers from Trundle CS who delivered the training at our school.

I look forward to meeting with students and their parents/caregivers this Tuesday night as they begin the subject selection process for Years 9/10 and 11/12 in 2021.

Nicole Bliss
Principal

SRC Treats Day

The SRC would like to say a massive thank you to Years 3/4 and 7/8 for their donations of treats and for our very successful treats day. We couldn’t have done it without you!

We were able to raise $237.10 for YCS. The money we raised is going toward an SRC project that is currently in the beginning stages. Thank you to Miss Loud for your support!

Miss Lucy Smith
SRC Representative
During the Year 7 Technology Mandatory class we were looking at the components of food, the function of food in our bodies and what makes food a healthy choice. This morning we made a Lemongrass Beef Bowl which had a delicious chilli kick.
Congratulations to all our student achievers this week.

**Student of the Week**

**Term 3 Week 4**

K/1/2: Xander
For improving his blending and sight word knowledge, leading to improved reading

3/4 : Robert
For creating an outstanding book after planning, editing and using feedback

5/6: Demi
For endeavouring to complete tasks in the time given and creating personalized learning goals to help her achieve this term

Stage 4 : Abilee
For her increased confidence in seeking teacher assistance

Stage 5: Thomas
For his meticulous mathematical methodology

Stage 6: Hannah
For embracing the challenge of her Trial Examinations

---

**School Calendar**

**Term 3, Week 5**

- 17-28 Aug
- HSC Trial Examinations
- 17 Aug
- Year 11 Industrial Technology—Timber Field Trip
- 18 Aug
- Year 9 & Year 11 2021 Subject Selection Information Evening
- 18-19 Aug
- PI Tractor Assessment

**Term 3, Week 6**

- 24 Aug
- School Photos
- 24-28 Aug
- HSC Trial Examination
- 25 Aug
- Year 11 Subject Selection Interviews

**Term 3, Week 7**

- 31 Aug - 4 Sept
- Year 9/10 Work Experience
- 1 Sept
- WAP Year 12 Metal and Engineering Day - Peak Hill
- 2 Sept
- Aurora HSC English Study Day @ YCS

---

**Assessment Calendar**

**Term 3, Week 5**

- Year 11
  - Industrial Technology
- Year 12
  - Biology
- Community and Family Studies
- Construction
- English Standard
- English Studies
- Hospitality
- Mathematics Standard 1
- Mathematics Standard 2
- Metal and Engineering
- Modern History
- PDHPE

**Term 3, Week 6**

- Year 7
  - FYI Project 3 - Portfolio
  - Physical Education - T/softball/Aquatics
  - (Weeks 6-10)

**Tell Them From Me**

**PARENT SURVEY**

**Due: Friday 25 Sept**

A great opportunity for parents and caregivers to have an anonymous say in what is happening here at school. It helps to clarify and strengthen the important relationship between parent/caregivers and school.
