# YEOVAL CENTRAL SCHOOL

Term 3 Week 9  
6 September 2021

*At Yeoval Central School we inspire all to be responsible, respectful and cooperative learners. Working together to achieve and grow.*

## HOUSE CUP CHALLENGE

Congratulations to Annabelle and Lucy for their winning sculptures entered in the Week 8 House Cup Challenge. The challenge; to create the best sculpture you can using items found in nature!

Daily House Cup Competition challenges are posted on the Sentral Parent and Student Portal each day!  
Get involved by earning points for your house! Make sure you submit your answers by 3pm.  
The points are getting closer! Just ten points separate first and second place!

## CURRENT POINTS TALLY:

# A message from the Principal

This week is **SASS recognition week!** We celebrate and thank our 18 support and administrative staff for their ongoing efforts supporting our school and community:

☞ **Toni**  
☞ **Stacy**  
☞ **Fi**  
☞ **Kirsten**  
☞ **Barb**

☞ **Tracey**  
☞ **Narelle**  
☞ **Sue**  
☞ **Kelly**  
☞ **Ewan**

☞ **Paul**  
☞ **Mark**  
☞ **Michael**  
☞ **Charmaine**  
☞ **Bradly**

☞ **Jodi**  
☞ **Susie**  
☞ **Juanita**

We wish our **Year 11 students** all the best whilst they complete their final examinations this week.

**Well done to Katie** in Year 12 who has received an early offer to the University of Canberra and the University of Western Sydney – to study a Bachelor of Business (Sports Management).

Congratulations to our new **Farm Assistant – Mr Raymond Parkes** who has been appointed to YCS. He will begin in the next few weeks, we look forward to Mr Parkes joining our team.

It is at this time of year we start to see changes in our staffing as schools work out their entitlements based on student numbers. We are **very fortunate to continue to receive the drought staffing supplementation in 2022** and sustain ALL programs as we have offered over the last couple of years. The staff changes for 2022 include:

- Ms Stempien is returning to Sydney with her husband – I will inform you of primary class teachers early next term
- Mr Sanders is leaving the Department – we are advertising for our new TAS teacher this week
- Ms Behan has received a transfer to Lismore where she is moving with her family
- Mrs Johnson is retiring – although WAP has secured her to continue teaching our Year 12 Drama class, one day per week in 2022
- Mrs Bates is also retiring – the Department of Education will appoint us a Mathematics teacher.

They have all greatly contributed to YCS and I will formally farewell these teachers at our Presentation Night next term. With students in Years 8 and 9 currently choosing their elective subjects for 2022, I will finalise the staffing allocations over the next few weeks.

On Friday, we are continuing to hold our **NAIDOC Day from 11.30am**. Originally planned for us all to attend Wambalang, they are now coming to us via Zoom – a link will be on our Sentral daily notices.

Nicole Bliss  
**Principal**

To Our Wonderful P&C!

Thank you for the amazing fathers day gifts.

Your thoughtfulness is always appreciated!

The YCS Community

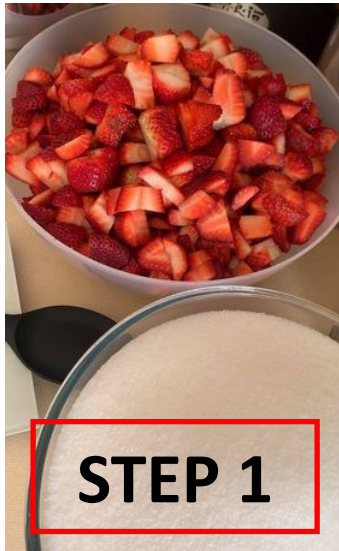

# Stage 5 Food Technology

In Food Technology we are learning about food preservation methods. After a discussion on Zoom about various methods we decided to make use of the abundance of cheap strawberries and make some jam. The steps were filmed and a video was created for the students to see exactly how jam is made and food spoilage is prevented.

The students received a jar of jam in their learning from home packages so they could taste test the final product.

Miss Freeth

## NAIDOC DAY

Join us on Friday 10th of September as Yeoval Central School celebrate NAIDOC Day. Bring your paints and boomerang along to a Zoom at 11:30 am where Wambangalang Environmental Education Centre will lead an art lesson on symbols used in Wiradjuri art.

We will also learn about local bush tucker that we can find right here in our own backyard.

All students and families are warmly invited to attend. Please click the link below to join .

Technology Mandatory - Practical  
Project 1

Year 9/10

English

HSIE

## Stage 5: Agriculture and Technology

Practical *Learning From Home* packages are waiting to go home to Mr Horley's class.

Students will be starting a small non dig vegetable garden growing Wombok and Baby Spinach.

The pack includes a bag of potting mix and a punnet of seedlings. The seedlings will be planted in the potting mix bag. Keep an eye out for updates on the growth of the vegetables.
