YEOVAL CENTRAL SCHOOL

Term 4 Week 9
29 November 2021

At Yeoval Central School we inspire all to be responsible, respectful and cooperative learners. Working together to achieve and grow.

FYI PROJECT 4

“How can our knowledge of past civilisations help us to live a balanced life today?” was the driving question that students worked towards answering through their learning during Project 4.

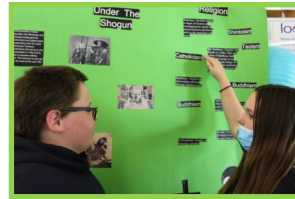

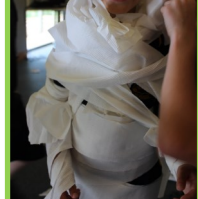

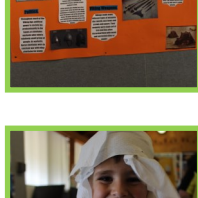

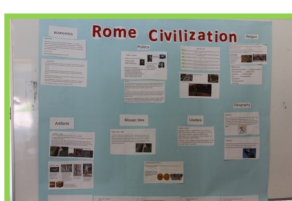

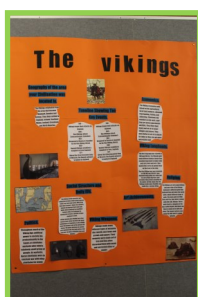

As a class, students learnt about Indigenous history with a focus on the local Wiradjuri people. During this learning, an emphasis was placed on the development of historical investigative skills, such as research, an understanding of both primary and secondary information sources, evaluation of those sources and communication of relevant information to a specific audience.

The ultimate goal of the project was the growth in

their empathy and respect towards the culture and histories of the First Australians.

The movie, “Night at the Museum”, provided students with an opportunity to compare and contrast the portrayal of historical figures in popular culture to their depiction in historically accurate sources of information.

Collaboratively, students investigated a past civilisation to create a poster board demonstrating their knowledge of the civilisation. Students were required to highlight the contribution that these past civilisations have made to enhancing and influencing present day society. *Mr Ken Horley*

At Yeoval Central School we are respectful, responsible and cooperative.

Our PBL focus areas for Term 4 Weeks 6-11 are:

- ◆ Follow instructions, first time
- ◆ Respectful language

A message from the Principal

Our **2022 Year 7 students** had a great day out during the **state-wide transition day**. I thank the many YCS staff who supported the planning and excursion including Mrs Katrina Corinth, Ms Gemma Loud, Ms Emma Livissianis, Ms Jodi Foster and Ms Juanita Parkes.

Well done to our **WAP teachers and students** who participated in the termly study days last week. It is a great opportunity for our Year 11 students to meet with their peers and coordinating teachers.

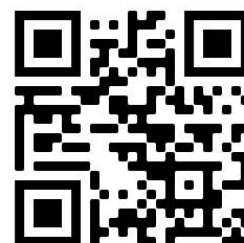

As our **Years 9 and 10 students** were unable to complete their second week of work experiences this term, **Mrs Katrina Corinth – our Transition Advisor**, organised a **2-day virtual work experience**. Students were able to engage with virtual employers and trainers to learn more about transitioning to the world of post school study and work.

The YCS principal position has been re-advertised and will close on Wednesday 8 December. I will keep you informed about the process.

Do not forget to tune into the **Presentation Day assembly on Wednesday 8 December at 130pm**.

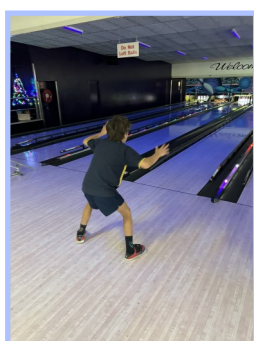

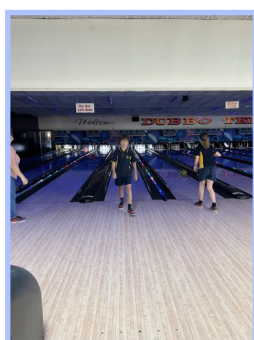

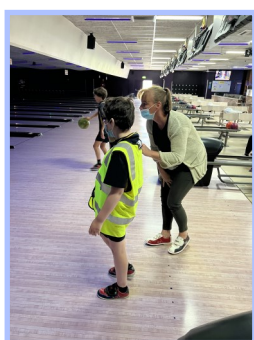

Nicole Bliss
Principal

2022 Year 7 Transition

During the High School Transition day to Dubbo our Year 6 students attended Dubbo Ten Pin Bowls for two games of bowling followed by a pizza lunch in the park following this they had a self guided tour of Old Dubbo Goal. It was a great day! *Miss Gemma Loud*

It has been a fantastic term at the Homework Hub! Sessions are continuing on Wednesday afternoons for Week 9 and Week 10 will be a celebration with food and games. All students that have participated this year are encouraged to attend.

WAP Year 10 Transition

YEAR 10 TRANSITION INTO THE WESTERN ACCESS PROGRAM

Week 9 EVERY DAY 10-11AM

STUDENTS WILL PARTICIPATE IN
VIDEOCONFERENCE AND TEAMS LESSONS
WHERE THEY WILL:

- Learn about NESA Requirements
- Learn about Course Requirements
- Meet Course Coordinators
