A message from the Principal

It's Week 10! We are very excited to host this year's **Presentation Day** and hope you can all join us via the **livestream from 130pm on Wednesday 8 December**.

Our **Year 12 students** were formally farewelled from their secondary education on Thursday and we were pleased to be able to include their families in the formal proceedings. **Mr Ken Horley** their Year Advisor over the last six years coordinated a great assembly and graduation dinner. **Ms Natasha Freeth's** coordination of the graduation cake and decorations for dinner was impeccable, amongst the many **administrative, support and teaching staff** who assisted. I thank the **Royal Hotel** who catered for their dinner.

Year 12 also enjoyed a great night at the **Western Access Program graduation dinner** hosted by the Taronga Western Plains Zoo. I thank **Mrs Crystal Stanford and Mrs Lyn Edwards** from WAP who coordinated a fantastic evening. Our **Year 12 students received many achievement awards** and I congratulate them on their successes during a very different two years of the HSC.

We had a great day of sunshine to plant our **two trees in memory of our ex-teachers who served in WWII**. I thank **Mrs Helen Tremain** for her organisation, **Mr Ken Horley** for coordinating the planting and **Mrs Jodie Klein** who stood in for me whilst I was unwell. We are very thankful to have **Mr Alf Cantrell** support our school and attend the tree planting.

Well done to our **primary students** who completed two weeks of **Intensive Swimming**, starting with some very cold days! Our **AUSTSWIM trained staff: Mrs Debbie Blatch, Ms Jen Goulding, Mrs Alana Kerin, Ms Gemma Loud and Mrs Katrina Corinth** ensured all students learnt water safety skills. We are so fortunate to have dedicated and competent staff to support all students.

Nicole Bliss

PDHPE	Claire Smith	Katie Letcher
VET Primary Industries	Jorja Lees	
Visual Design		Tallia Scanlan
Work Studies	Mckayla Johnston	
VETIS Student of the Year	Jorja Lees and Claire Smith	

Certificate of Achievement - Jorja, Claire, Benjamin and Mckayla

Awarded to students who come first, second or third in three or more subjects

Intensive Swimming

All primary students participated in 2 weeks of Intensive swimming during weeks 8 and 9. YCS was very fortunate to have this program fully funded and have five AUSTSWIM trained teachers who were dedicated to help our students succeed in the water.

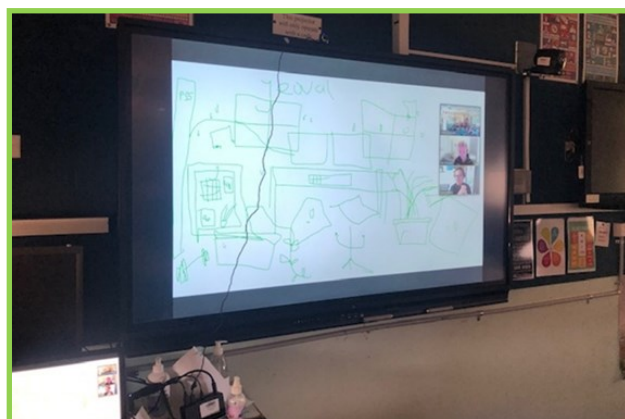

While some students were learning to swim and become confident in the water other students were working on survival skills and how to perform rescues safely.

9/10 Virtual Work Experience

In Week 8 our 9/10 students had the opportunity to participate in a virtual Work Experience program held at school. As students were unable to complete work experience due to current DOE guidelines this was an excellent alternative for them.

Over the two days students worked on various activities using our interactive Career Tools and Job Jump websites as well as participating in a variety of zoom sessions. Students had an informative zoom with Charles Sturt University as well as TAFE NSW, where students were given insight into study at both institutions, the enrolment process, study and career options plus an informative question and answer session.

Students also participated in small group zooms with a variety of industry professionals as part of the eBeacon Foundation's - My Road Mentoring Program. The program is aimed at building transferable work-readiness skills and self-confidence around the world of work.

Students were given the opportunity to engage with volunteer mentors from many different jobs and industries. This was able to help them better understand career paths available to them and the changing world of work. All students thoroughly enjoyed their session. *Mrs Corinth*

Student of the Week

Term 4 Week 9

K/1/2: Sophia

For her enthusiasm for practising the presentation day performance

3/4: Bailey

For consistent effort in class

5/6: Savannah

For working consistently on all class tasks

Stage 4: Brooke

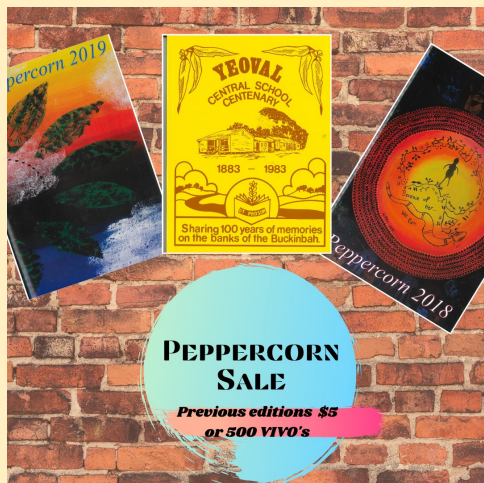

For being cooperative and demonstrating initiative in Music

Stage 5: Ezra G

For his engagement with HSIE

Stage 6: Gem

For his contribution towards extra curricular activities during school time
