YEOVAL CENTRAL SCHOOL

Term 2 Week 7
31 May 2021

At Yeoval Central School we inspire all to be responsible, respectful and cooperative learners. Working together to achieve and grow.

MAKING MUSIC IN H₂O

This term our primary students have begun their music and history project where they have been able to further develop their group work, communication and leadership skills.

Our group project allows students to creatively explore interesting and important times in Australian history through a musical narration. Students have researched a variety of Australian historic events including Aboriginal and Torres Strait Islander Dreamtime stories.

They have also developed their musical capabilities and knowledge giving them the skills necessary to create musical narrations of historic events in their groups. We are eager to watch their communication and creative skills grow and cannot wait to hear their musical narrations!

At Yeoval Central School we are respectful, responsible and cooperative.

Our PBL focus areas for Term 2 Weeks 6-10 are:

- ◆ Show willingness to achieve the learning intention presented
- ◆ Using technology responsibly to enhance learning
