# YEOVAL CENTRAL SCHOOL

Term 3 Week 4  
2 August 2021

At Yeoval Central School we inspire all to be responsible, respectful and cooperative learners. Working together to achieve and grow.

## WHAT DO I WANT TO BE WHEN I GROW UP?

As part of our Education Week celebrations and with the theme “Lifelong Learners” students were able to come dressed up as what they want to be when they grow up. It was great to see such a huge variety of career paths; Entrepreneurs, Artist, Veterinarians, Vet Nurse, Shop Keeper, Tattoo Artist, Rapper, Pro Basketballer, Professional Rugby Union Players, Blacksmith and Swordsman, Palaeontologist, Scientist, Radiographer, Author, Hunter, Farmers, Lawyer, Chef, Support Worker, Fairy, Nurse and lastly there are quite a few Teachers!

EMPATHY DAY

At Yeoval Central School we are respectful, responsible and cooperative.

Our PBL focus areas for Term 3 Weeks 1-5 are:

- ◆ Make good choices to learn
- ◆ Positive attitude = Positive results

# A message from the Principal

**What a great way to celebrate public education at YCS!** We had a Zoom whole school assembly with our **5/6 class performance**, a **dress up day** ‘what I want to be when I grow up’ with a **free sausage sizzle** – all depicting the theme *lifelong learners*. Well done to the planning committee **Lucy, Ezra P and Lara**.

Congratulations to **Ezra P and Tyson who won the draw to be ‘principal of YCS’**. They had a few important tasks like participating in decision making and professional learning with the executive staff and to analyse the student responses about what YCS can do to prepare them to be lifelong learners. I was very impressed with their punctuality, professionalism and enthusiasm.

Well done to **Ms Amanda Crain** (our relieving Assistant Principal) who coordinated our **mini-writers festival**, a great way to learn about literacy in a fun and engaging way. **Ms Crain** also coordinated the **Life Education Van** – the students were so excited as they left Healthy Harold!

Our **Wellbeing student leaders: Bradley, Kitana, Elizabeth and Ruby** worked with **Ms Livissianis** our Wellbeing Leader planning **Empathy Day and the unveiling of our Wellbeing Room**. Students had a great day involved in sport activities and cupcake decorating.

Our **WAP study week** continues this week. I would like to thank **Mrs Crystal Stanford and Mrs Helen Tremain** for their organisation and all WAP course coordinators who ensure our Year 11 and 12 students have an engaging face-to-face lesson for each course they study.

Nicole Bliss  
Principal

## State Drama Camp

From Sunday, June 20 to Wednesday, June 23 I attended the State Drama Camp at the Elanora Conference Centre in Sydney.

When arriving at the camp all 115 students were driven to the Capitol Theatre to see the musical “Come From Away”. This musical is about an island off the coast of Canada that had 38 planes land during 911. The population of the island went from 9,000 to roughly 16,000 during 911.

Prior to arriving at the camp, every student had to list which workshops they would like to participate in on Monday, Tuesday and Wednesday. The workshops included voice, character, acting, improv, scriptwriting, and costume design as well as many more.

The students at the camp were also placed into 8 groups of 14-15 people. They had to work together in their groups to come up with a performance to show on Wednesday night in front of the other students.

On Monday night, Zeal Theatre performed for the camp an original script called MELTDOWN, and on Tuesday night two students that completed their HSC last year performed their HSC performances. All performances were outstanding and very well planned out.

Lauren Zell

# In the K/1/2 Classroom

K12 has thoroughly enjoyed an exciting education week filled with unique and enjoyable experiences. Our special week included the book fair, a dress up day where students came dressed as what they want to be when they grow up, empathy day where students enjoyed a range of activities and a movie, a visit from Healthy Harold and the mini writers festival via Zoom!

K12 participated in the mini writers festival via zoom, brainstorming creative ideas for stories set in another world. K12 first brainstormed ideas for the setting of their story in another world, such as worlds filled with dinosaurs, superheros, fairies, and even aliens!

We then created a list of onomatopoeia which you might hear in our other world, which included fun words like boom, ka-ching, bing-bing, meep-moop and whooshhh!

After writing their list, students drew a villain and a hero as their main characters in another world.

K12 are becoming incredible authors and illustrators. *Mrs Stempien*

## Healthy Harold

On Friday K-6 participated in Life Education Van. Students in Years 3-6 reflected on all that they had learnt about cyber safety and confidently shared this by creating this wordle (see attached). K-2 also enjoyed their experience learning about recognising safe and unsafe environments, caring for others and people they can go to for help. This learning supports what students have been doing in H20.

Thank you to Emma the Life Education Teacher for always making the learning engaging and the teachers who supervised and supported students participation in this valuable activity. *Miss Crain*

## Student of the Week

### Term 3 Week 3

**K/1/2: Thomas**

For producing his personal best and working hard to achieve based on Learning Intention and Success Criteria

**3/4: Ethan**

For working hard to achieve the Learning Intentions

**5/6: Chase**

For showing eagerness and consistent improvement when using the vocabulary map to improve his writing

**Stage 4: Ethan**

For his enthusiasm in Technology

**Stage 5: Kitana**

For her application in HSIE, PASS and PDH

**Stage 6: Tyelia**

For her outstanding result in Distance Education Chemistry

**Bronze Merit Award Recipients:**  
Marlie, Ethan, Julie, Blyd,  
Kitana and Ethan

## School Calendar
