YEOVAL CENTRAL SCHOOL

Term 4 Week 4 | 1 November 2022

Responsible Respectful Cooperative Learning

YCS 2022 SPORTS ASSEMBLY

This year we were able to host our Sports Assembly to celebrate our sporting success in 2022. It was a pleasure to host this assembly this year. We were able to celebrate our students for their age champions for the 3 Carnivals and announced the overall age champions. We inducted two students into the Yeoval Hall of Fame. These were Katie Letcher and Doug Philipson. Katie was inducted for making the NSW Merit Cricket Team in 2021 and her continued success this year. Doug was inducted for making the 2022 Australian Schoolboys Rugby Union team, he is congratulated on this and his future success.

Wiradjuri Word of the Week:
Ngalugan (Nah-lah-gun)
'Mouse'

At Yeoval Central School we are respectful, responsible and cooperative. Our Positive Behaviour for Learning (PBL) focus areas for Term 4 are:

- * **Wear School uniform with pride**
- * **Work collaboratively with others, ensuring everyone feels safe.**

Thank you to all members of our school community who joined with us last Wednesday to celebrate our sporting winners at the 2022 Sporting Assembly. It was a wonderful showcase recognising the achievements of our current students and acknowledging the sporting excellence of our past student, Katie Letcher and Yeoval local Doug Philipson.

We welcomed our Little Eagles for a transition session last Friday. We are impressed with their enthusiasm and engagement and the way they are adapting to our school routines. We look forward to seeing them again this Wednesday.

On the other end of the schooling journey, our 2022 Year 12 students HSC exams wrapped up on Monday. We wish them well for their future and look forward to hearing of their successes.

In Term one, our male students in Years 7-12 benefited from participation in a pilot program, Tackling Tough Conversations delivered by Central West Lifeline staff. Our secondary girls in Years 7-11 will participate in this program over 3 weeks commencing this Friday. Parents will have received more detailed information about the content of these sessions.

Our entire secondary cohort will travel to Dubbo on Thursday to participate in a Stand Tall workshop. These events provide a unique and proven method of equipping Australian students with the necessary skills of resilience, the strength to stand up to bullying, the keys to motivation, the power of perspective and the benefits of making healthy and effective decisions. They will hear an inspiring line up of motivational speakers and performers, who in coming together, bring a united message of hope to the youth of Regional NSW. This program has been subsidised by NSW government.

A big thank you to our parents for their prompt returning of notes and payment for the K-4 Edward the Emu excursion today. I am sure that the students and staff will have a fantastic experience at this live performance at Dubbo Regional Theatre.

Mr Darren Pittock, our school counsellor is currently relieving in another role within the Department of Education. I would like to introduce Gai Torshvan, Senior Psychologist from the School Counselling and Telepsychology Rural and Remote Schools (SCATRRS) team. Gai will be working online with YCS on a Thursday each even week and will visit in person once a term.

In wellbeing this week, we are tackling student hygiene. Students from Years 4-11 have been provided with toiletry packs to help them feel good and keep clean, especially over summer. The following resources provide advice for families to keep up positive hygiene routines at home.

Tell your child's school

If your child misses school due to illness, religious reasons, family circumstances, or other reasons, remember to contact the school within 7 days to explain the reason for absence.

If your child arrives at school late or needs to leave early, you will need to go to the school office to sign your child in or out and explain the reason for the absence.

If you're having difficulty getting your child to school and on time every day, contact the school for support.
