YEOVAL CENTRAL SCHOOL

Term 4 Week 5 | 8 November 2022

Responsible Respectful Cooperative Learning

STAND TALL!

Tony Hoang

Yeoval Central School joined 2300 secondary students and 200 teachers from across western NSW for the inaugural **Stand Tall Regional Big Tent Event** at Dubbo Showground, supported by the NSW Government, on Thursday 3 November.

The TedX style event brought a host of speakers together in the one location to arm students with resilience, the strength to stand up to bullying,

the keys to motivation, the power of perspective and the benefits of making good and wise decisions!

Performances included Timomatic, Tony Hoang, professional freestyle motorcross riders Lance Russell and Ryley Davis, and keynote speaker elite sportsman Michael Crossland.

At Yeoval Central School we are respectful, responsible and cooperative.
Our Positive Behaviour for Learning (PBL) focus areas for Term 4 are:

- * Wear school hat with pride
- * Follow instructions first time

As we enter the Term 4 half-way mark, Yeoval Central is gearing up for one of its busiest periods of the year.

Upcoming activities and events

Plans are well underway for our 2022 Presentation Evening to be staged at the newly renovated Yeoval Memorial Hall on Wednesday, 14 December from 7pm. In our next newsletter, we will have all the details on how you can purchase this year's copy of the YCS Peppercorn.

From Week 6, our various swimming programs will commence through until the end of the term. All permission notes have been issued and the dates/times of each program are also published in this newsletter.

Also from Week 6, our Years 9/10 students will undertake their yearly exams in the School Hall, followed by work experience during Week 8, while the WAP students will complete work experience from 14 November.

Our staff and Stage 5 students are looking forward to the Sydney Excursion on 21-24 November; this will be a wonderful experience for all involved.

Stand Tall

I am extremely proud of our secondary students who represented YCS at the Stand Tall event in Dubbo on Friday. This is the first time Stand Tall has been hosted in our region and we are very grateful that our students had the opportunity to hear so many inspiring stories from people who have overcome some of life's biggest challenges.

HSC exams finalised

The HSC exams finished on 4 November and we wish our 2022 Year 12 students all the very best as they await their results and make plans for the future.

New school policies

The Inclusive, Engaging and Respectful (IER) Schools package announced in February this year is being rolled out and centres on three new policies and procedures that set the guidelines for how we ensure all children and young people can learn through public education in a safe and engaging way. With these new policies, we want all students to be included in all aspects of school life and supported to learn to their fullest capability; be supported in engaging, respectful, and effective classrooms with positive and inclusive practices; feel welcomed, valued and safe in our schools and classrooms.

Tackling Tough Conversations

Our secondary girls are participating in weekly sessions with Lifeline as part of the Tackling Tough Conversations Program, which aims to educate, support and equip regional and remote communities' youth through open and honest conversations.

Yeoval Central School's classes and rooms have been given Wiradjuri animal names to celebrate our Aboriginal heritage. Year Advisors drew the names out of a hat at the whole-school Assembly held on Monday.

Our K-4 students travelled to Dubbo to see timeless Australian classic 'Edward the Emu' last week.

This fabulous performance included puppetry, improvisation, humour, suspense and perspective.

It was the 113th time the performance had been shown to hundreds of students around every State and Territory in Australia!

The Fox and the Crab

(Lapsa un vēzis)

One day, a fox came upon a crab scurrying back and forth over the sand. "Why do you run sideways?" the fox jeered. "Any fool knows that to get from one place to another, you have to go forwards." "You think you're so smart, how about a race?" answered the crab. "Ha!" laughed the fox. "Sure, I'll race you. Line up right here next to me." And so, both took their stand side by side and designated the finish line. At the count of three, the crab clamped his claw into the fox's bushy tail and held on tight as the fox charged forth like an arrow. Having crossed the finish line, the crab let go of the fox's tail. The fox turned around, expecting to see the crab far behind him, but he was standing right there in front of him. "What took you so long?" the crab asked. The fox scratched his head, realising he had been defeated. "I guess you're much faster than I thought you were. You win," he said and slunk off into the woods. And so, the sideways-scurrying crab outsmarted the forward-dashing fox.

Celebrate Attendance

Hints and Tips No. 6: School Community

Everyone in the school community has a role to play in helping with school attendance.

Having students attend school is extremely beneficial to the future of local communities. However, many students do not attend school regularly or fail to attend at all.

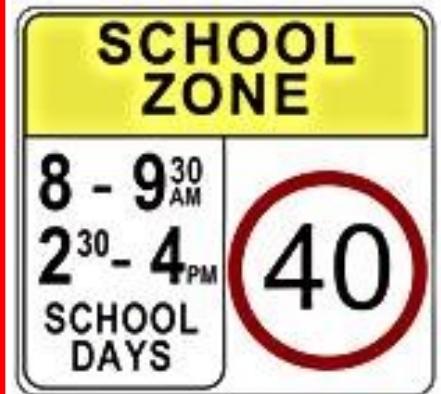

Schools, parents and caregivers, local community members and businesses are all an essential part of providing and supporting education in our schools.

The NSW Department of Education and Training employs Home School Liaison Officers across the state. These officers are teachers who support schools and the school community to ensure that all students attend school regularly.

Parents having difficulty getting their child to school should not hesitate to contact either the school principal or the Home School Liaison Officer at your nearest Department of Education and Training office. Call toll free 131 536 for your nearest regional office.

Missing school leaves gaps in your education

SCHOOL BUS ZONE PARKING REMINDER

A reminder that the YCS School Zone operates between **8:00am-9:30am** and **2:30pm-4:00pm** on school days, including pupil free days. The speed limit is 40km in all school zones.

As student safety is paramount, you must not stop or park in the YCS BUS ZONE for any reason during these hours, unless you are driving a bus.

Thank you.
