# YEOVAL CENTRAL SCHOOL

Term 2 Week 1  
28 April 2022

## Responsible Respectful Cooperative Learning

Yeoval Central School proudly supported the 2022 Yeoval ANZAC Day Services by marching with the diggers, delivering commemorative addresses and featuring a marching band.

In addition, Yeoval Central School Principal Trish Henderson co-hosted the 11am Memorial Service with St Columba's Principal Michael Gibbons.

*Thank you to all students who participated in this important annual event.*

Welcome to Term 2!

I am honoured to commence this term in the role of permanent Principal of YCS. I have been truly impressed with all aspects of the school and the wider community.

All members of the school staff are united in their commitment to student learning and wellbeing and supportive of both students and their colleagues.

I look forward to building upon the already great things in place to optimise experiences for everyone in our school community.

## Sydney Royal Easter Show

Two events that highlighted these qualities over the course of the holidays were the attendance of the Show team at the Sydney Royal Easter Show and the participation of students at ANZAC commemorations this week. Thank you to Mr Horley for his organisation for the Sydney Royal excursion. I had the pleasure of joining the students on Friday afternoon and staying with them for the final two nights of their stay. I cannot overemphasise how impressed I was with the way they represented YCS.

These students showed great initiative and responsibility in the way they attended to the animals and interacted with members of the public and others involved in the showing of the animals. It was a very big five days for them with early mornings and late nights and I'm sure they slept well when they finally arrived home. Well done to Ricky, Tyson, Nathaniel, Liam, Sierra and Lucy! You should be very proud of your efforts, as we all are.

## ANZAC Day Services

Thank you to all students who marched with the school to mark ANZAC Day on Monday and to their families for facilitating this. It was so special to march to the fantastic sound of the drums (thank you drummers and Mrs Johnson!). A big thank you to our Secondary School Captains Lucy and Jeigo who provided an address at the Yeoval dawn service, the service at Obley and the Commemorative Service in Yeoval.

Thank you also to our Primary Captains Jack and Laura who impressed the elderly residents of UPA Yeoval Aged Care with their role in the ANZAC Day service on Friday. Thank you to Mrs Helen Tremain and Mrs Nikki Tremain-Henock for their organisation prior to these events.

Thank you to Councillor Peter Batten who attended Yeoval's Commemorative 2022 ANZAC Day Service.

## Term 2 is underway

It was great to welcome back students yesterday and to see their smiling faces as they walked through the gates for their first day back after the break and to witness them engaged in their learning back in their classrooms.

I would like to welcome Mr Michael Hammond (LaST, ILSP), Mrs Kathryn Hammond (ILSP) and Ms Elsie Woodley who will be teaching 5/6 (Mon/Fri). Miss Crain will be teaching 5/6 Tue/Wed/Thurs this term.

Students will be taking home their next supply of RAT tests this afternoon.

Looking forward to seeing you during the term ahead.

*Trish Henderson, Principal*

## Goodbye Term 1, Hello Term 2!

YCS students enjoyed a treat day on the last day of Term 1, with the whole school celebrating the fantastic behaviour and attitude that had been on display throughout the term. Students were invited to wear mufti, enjoyed a sausage sizzle lunch and an Easter egg hunt—all thanks to the PBL Team.

*Term 2, here we come!*

## A STEP BACK IN TIME: Part 5

**Prospects are very bright...**A year after the 1914 school building was completed in Yeoval, enrolments reached 49. Two years later it was 75 and the school had a second teacher, but it was difficult for two teachers to work in an overcrowded classroom built for 50 students. The headmaster at the time, in applying for the building to be enlarged, argued that the prospects for the town were very bright with a Freezing Works nearing completion and the construction of the Molong-Dubbo Railway, via Yeoval, well underway. The decision was made to add a second classroom to the school building, while the question of a teacher's residence was reconsidered. Work on both buildings were completed by mid 1920, with a picket fence constructed around the teacher's residence.

## What I love most about Yeoval Central School

### Kitana Hoswell-Parsons, Year 11

"The thing I love about being at Yeoval Central School is that we get opportunities from being part of the Western Access Program (WAP) that enhance our learning.

"We have the chance to travel to different schools to learn and have face-to-face learning instead of being on a computer all term.

"The teachers at YCS are caring and want the best out of everyone, no matter who you are...."

### Jai Harvey, Year 5

"Well the first thing is playing footy with my friends (friends of all ages).

"I also enjoy H20, especially science and geography.

"There are new things to be learnt every day. In geography we learnt about people, places and cultures and that is interesting.

"I also love Wiradjuri with Uncle Darren...it's great to learn about my culture and the words of Aboriginal people..."

## 2022 TEN4TEN LEADERSHIP PROGRAM

### By Kitana Hoswell-Parsons

Tuesday 5 April was the opening dinner where we got to meet our mentors and engage with the other students that will be completing the TEN4TEN Program with us.

Unfortunately my mentor Phil Donato MP was not there due to a family emergency but they thought ahead and got someone else to fill in for him named Sophie.

I was very excited to get to know the people that I will be spending time with this year.

I enjoyed the night and everyone who I met was very interesting and very passionate about what they do.

# From our YCS students

On Wednesday, 27 April, we went to the GRIP Leadership Conference in Dubbo. This was a great opportunity for us to learn about leadership. Some of the take-home messages for us were that leaders need to serve others, take initiative, exemplify school values and have purpose. Leaders should have integrity. This means they show what is right, tell the truth, encourage others to do what is right and persist when they are criticised. Leaders should not settle for the same as before; they should challenge themselves to achieve even more. The whole day was fun and exciting! We really enjoyed the loud noise boys who encouraged us all to work as a team, one of the most engaging activities was a sound effect game and Jack even made an appearance on stage for this. We thank Miss Loud for organising this day.
