YEOVAL CENTRAL SCHOOL

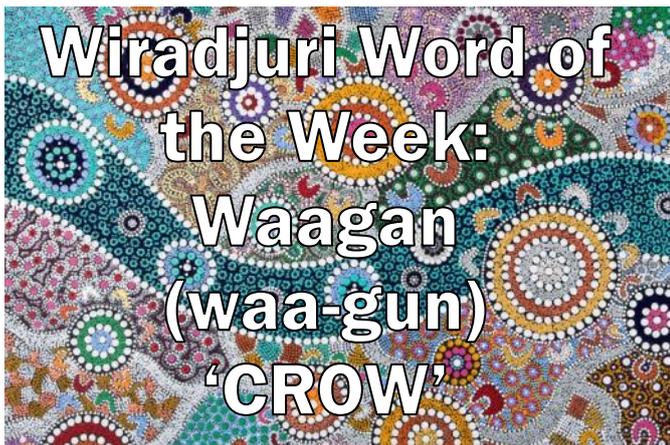

Term 3 Week 10 | 20 September 2022

Responsible Respectful Cooperative Learning

Schoolyard handball has been a tradition at YCS for generations, and while different schools have different rules, handball is an awesome game that everyone can play! Also known as 'down ball' and 'four square', the game was first introduced at the Olympics in 1936 but did not appear again until 1972.

As the school term draws to a close, we wish all our staff and families a safe and happy holiday period.

Week 9 was another busy week on the YCS calendar.

It was wonderful to go along to the **FYI exhibition** and listen to the stories of the **Stage 4 Years 7/8 students**. With **writing being one of our whole-of-school focuses** this year, it was pleasing to see students using this learning to **build tension and end with impact**. **Well done Stage 4** on a **great exhibition** and to the **FYI staff for their ongoing efforts in this project**. Thank you to **families and community members** who came in to **support the learning** in FYI.

Mrs Corinth ensured that **Years 5/6 students from Yeoval Central School, St Columba's and Cumnock Public** had a fabulous **'Taste of YCS'**. Students enjoyed co-operative activities, gymnastics, Tech Mandatory and FYI. From all accounts, students had a fabulous day and could not stop raving about their experiences. We look forward to welcoming our future Year 7 students.

Ezra and Lara represented **NARRAF Gobondery at Western Athletics** on Friday in discus and shot put respectively. Thank you to parents for taking students (and navigating alternative routes to Dubbo). We understand the competition was strong but we are proud that you both tried your best.

On Friday **Mrs Tremain and Year Advisors** organised some fabulous experiences for the students' **PBL celebration**. It was amazing to see all students engaged and celebrating a fabulous term.

It has been exciting to see our future Kindergarten students participating in our intensive transition program. Thank you to Mrs Ind who continues to host and work with these students to make settling into school a seamless process.

The Year 12 WAP Farewell Dinner was held on Friday evening at Club Dubbo. It was pleasing to see some wonderful results from all our YCS students and we are so proud of their efforts. We also appreciate the support from all teachers in their years of schooling. Congratulations to former YCS student Claire Smith for receiving the DUX award for 2021. This is a wonderful achievement.

This week our **Year 12's finish up their schooling at YCS** (pending their HSC of course). This is a **very special time for them all**, and I fondly remember teaching some of these students in my first official class at Yeoval Central School when they were in Year 1. Sam, Tyelia, Alana, Lillie, Dominic and Lauren, we wish you all the best as you **study and prepare for your HSC**. Although you may not realise this at the moment, school years are some of the best years of your life. Savour and enjoy this final week before you are set free into the big wide world!

What's coming up this week?

On **Tuesday** we are supporting **Redtember**.

A reminder that **Thursday** is a 'Day of Mourning' and all schools will be non-operational. The **Year 12 Graduation Dinner** will take place on Thursday evening.

Friday will be a very busy day with the **NAIDOC/Library Opening/Mural Launch** and the **Year 12 Farewell Assembly**.

We hope you all have a safe and enjoyable school holidays.

Assistant Principal

YEARS 7/8 FYI EXHIBITION

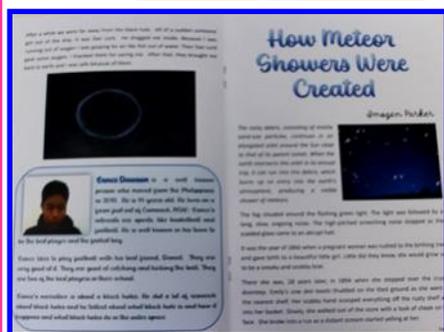

A book entitled "Stories from Space - FYI 2022" was launched by the YCS Future Yeoval Innovators (FYI) class at their exhibition for Project 3 last Wednesday.

The book contains a collection of narratives written and illustrated by students to answer the project question: "How can we explain astronomical phenomena through narrative?"

Throughout the project, students investigated a wide range of astronomical phenomena and how these are explained both scientifically and culturally.

They also travelled to Coonabarabran during the term to visit the observatories.

Year 7 Transition Day 2

Last Wednesday our Years 5/6 students from Yeoval Central School, along with Cumnock Public and St Columba's, enjoyed another Year 7 Transition Day. Students were excited for their second 'Taste of Yeoval Central School,' experiencing life as a high school student for the day. Their timetable explored the extensive range of subjects in secondary school, including Technology Mandatory – Metals, Future Yeoval Innovators (FYI), Physical Education (PE) and Sport.

Students began their day strengthening their relationships and getting to know each other through a variety of teambuilding activities and ice-breaker games. One of the activities required teams to solve a series of five riddles. Once a team had solved each riddle, they were declared the winner. I was very impressed watching each group work together, using each other's problem-solving skills to solve each problem – they were not easy!

In PE, students enjoyed gymnastics as part of the program YCS is receiving from PCYC, Wellington. In FYI, students participated in some drama activities as well as a team-based construction task where groups had to work together to build the strongest structure using minimal resources and equipment.

Technology Mandatory – Metal was a favourite, with students constructing their own fly swatter which I'm sure will be very handy come summer! Students then enjoyed a scrumptious lunch of chicken burgers and hotdogs courtesy of The Billabong.

I'm sure all will agree that a wonderful day was had by all. Well done to all participating Years 5/6 students who displayed exceptional enthusiasm and appreciation for their day in high school. We look forward to welcoming our new Year 7 cohort next year.

- Mrs Corinth

Mini PBL Celebration Day

The YCS PBL Mini Celebration Afternoon on Friday saw our students enjoy movies, popcorn, games and mufti day!

Congratulations to all our students for their efforts this term - enjoy your well-earned reward.

Expression of Interest School Learning and Support Officer (SLSO) - temporary Yeoval Central School

Expressions of interest are invited for those interested in a career opportunity in the position of a temporary School Learning Support Officer for the remainder of 2022 with the possibility of extension.

Duties focus primarily on assisting teachers in the implementation of individual educational programs and individual transition programs and also assisting teachers in providing opportunities for children with special needs to develop personal, social, domestic and pre-vocational skills and attending to the personal care needs of children. Duties may also include the operation of audio-visual aids, issuing of learning materials and minor clerical duties.

Please contact the school for further information or submit an expression of interest to Trish Henderson, Principal at patricia.j.henderson@det.nsw.edu.au by 9am on Friday 23rd September.

Please include details of at least two referees.

For further information contact Trish Henderson on 6846 4004 or at patricia.j.henderson@det.nsw.edu.au

EXPRESSIONS OF INTEREST: ASSISTED TRAVEL SUPPORT OFFICER

Expressions of interest are invited for an **Assisted Travel Support Officer (ATSO)** to support a Yeoval Central School student with additional needs on bus transport before and after school.

Position Information:

The Assisted School Travel Program (ASTP) often provides additional support to students with disabilities on transport. Assisted Travel Support Officers (ATSOs) support students with complex health or behaviour needs to ensure their safe travel to and from school.

This is a new position created to support independent student travel on the Langley's Baldry school bus route.

The successful applicant will be transitioned with the student to catch the school bus to and from school.

They will be employed for one hour before and one hour after school.

If you are interested in temporary part-time work as an ATSO the following website contains information on the role, how to apply for the position details are available on the website:

<https://education.nsw.gov.au/public-schools/astp/atsos>

For further information please contact ASTP on 1300 338 278, or email ASTP at atso.astp@det.nsw.edu.au

There is potential for this role to be combined with additional hours and responsibilities at Yeoval Central School. For further information please contact Trish Henderson on 68464004

How to apply:

Please complete the [Expression of Interest](#) form (also on the website) and email it to atso.astp@det.nsw.edu.au and patricia.j.henderson@det.nsw.edu.au by 9am Friday 23rd September 2022, expressing your interest in this role. Please include the contact details of two referees.
