Report on Action Items from previous meetings

Action items	Person responsible	Outcome
✓ Constitution Review	Esther and Jacqui	Esther to email Jacqui. Needs to be reviewed by Committee Members. 1 month notice required to vote.

General Business

Agenda item: Presentation and performance nights **Presenter:** Gaela

Discussion:

Would it be possible to separate the presentation of awards from the performances, and have these at different occasions?

Discussion around the positives and negatives of having these events on the same evening. Some parents and students may enjoy the performances without the focus on awards, and others feel that it is an opportunity to celebrate what has been achieved by students, and that they compliment each other and shouldn't be separate.

Conclusions:

Nicole will draft a survey, to get feedback on the format of previous presentation nights.

Agenda item: School Uniform –Lowes **Presenter:** Gaela

Discussion:

Lowes is pricey, and don't always have the right sizes.

Jacqui had explored another supplier through Lowes, as current supplier had large minimums in each size that is simply not viable for our school size.

Conclusions:

Research other options, and continue to promote the second hand group online.
